African American Lives Henry Louis Gates,Evelyn Brooks Higginbotham,2004-04-29 The first book of its kind since 1982 s Dictionary of American Negro Biography African American Lives leads us into a new era of African American biographical scholarship In collaboration with Oxford University Press and the American Council of Learned Societies and with contributions from over four hundred scholars and experts in many fields the editors and their staff at the W E B Du Bois Institute for African and African American Research at Harvard University have collected in this single volume the lives of many of the most important and most interesting names in African American history **BOOK JACKET** **A Lynched Black Wall Street** Jerrolyn S. Eulinberg,2021-05-13 This book remembers one hundred years since Black Wall Street and it reflects on the 1921 Tulsa Race Massacre Black Wall Street was the most successful Black business district in the United States yet it was isolated from the blooming white oil town of Tulsa Oklahoma because of racism During the early twentieth century African Americans lived in the constant threat of extreme violence by white supremacy lynching and Jim and Jane Crow laws The text explores through a Womanist lens the moral dilemma of Black ontology and the existential crisis of living in America as equal human beings to white Americans This prosperous Black business district and residential community was lynched by white terror hate jealousy and hegemonic power using unjust laws and a legally sanctioned white mob Terrorism operated historically based on the lies of Black inferiority with the support of law and white supremacy Today this same precedence continues to terrorize the life experiences of African Americans The research examines Native Americans and African Americans the Black migration west the role of religion Black women s contributions lynching and the continued resilience of Black Americans **Entrepreneurship and Self-Help among Black Americans** John Sibley Butler,2012-02-01 Since its

publication in 1991 *Entrepreneurship and Self Help among Black Americans* has become a classic work influencing the study of entrepreneurship and more importantly revitalizing a research tradition that places new ventures at the very center of success for black Americans This revised edition updates and enhances the work by bringing it into the twenty first century John Sibley Butler traces the development of black enterprises and other community organizations among black Americans from before the Civil War to the present He compares these efforts to other strong traditions of self help among groups such as Japanese Americans Jewish Americans Greek Americans and exciting new research on the Amish and the Pakistani He also explores how higher education is already a valued tradition among black self help groups such that today their offspring are more likely to be third and fourth generation college graduates Butler effectively challenges the myth that nothing can be done to salvage America s underclass without a massive infusion of public dollars and offers a fresh perspective on those community based organizations and individuals who act to solve local social and economic problems *Deemed Unsuitable*

R. Bruce Shepard,1997 Blacks from Oklahoma move to the Canadian prairies in search of equality in the early 20th century only to find racism in their new home *African Americans on the Great Plains* Bruce A. Glasrud,Charles A. Braithwaite,2009-10-01 Until recently histories of the American West gave little evidence of the presence let alone importance of African Americans in the unfolding of the western frontier There might have been a mention of Estevan slavery or the Dred Scott decision but the rich and varied experience of African Americans on the Great Plains went largely unnoted This book the first of its kind supplies that critical missing chapter in American history Originally published over the span of twenty five years in *Great Plains Quarterly* the essays collected here describe the part African Americans played in the frontier army and as homesteaders community builders and activists The authors address race relations discrimination and violence They tell of the struggle for civil rights and against Jim Crow and they examine African American cultural growth and contributions as well as economic and political aspects of black life on the Great Plains From individuals such as Pap Singleton Era Bell Thompson Aaron Douglas and Alphonso Trent to incidents at Fort Hays Brownsville and Topeka to defining moments in government education and the arts this collection offers the first comprehensive overview of the black experience on the Plains **Encyclopedia of African American History, 1896 to the Present** Paul Finkelman,2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century *The Skin Color Syndrome Among African-Americans* William A. James (Sr.),2003 William A James Sr has created a cogent book of essays that deals with a perplexing problem found among African Americans James calls it The Skin Color Syndrome His book is divided into four sections consisting of seven chapters Within those chapters he depicts five principles that define blacks intra racial hatred a hatred based upon Pigmentation Discrimination as the first principle of the Skin Color Syndrome James then discusses Passing and Where Blacks Are And Where They Need To Go He talks about Where Blacks are headed and then he gives A

Conclusion Of The Matter and The Problems We African Americans Must Fix Lastly James offers Kwanzaa 365 Days Per Year as a restorative solution to the ravages of Jim Crow Law in America *Black America* Alton Hornsby Jr.,2011-08-23 This two volume encyclopedia presents a state by state history of African Americans in the 50 states and the District of Columbia African American populations are established in every area of the United States including Hawaii and Alaska more than10 percent of the population of Fairbanks Alaska is African American Black Americans have played an invaluable role in creating our great nation in myriad ways including their physical contributions and labor during the slavery era intellectually spiritually and politically in service to our country in military duty and in areas of popular culture such as music art sports and entertainment The chapters extend chronologically from the colonial period to the present Each chapter presents a timeline of African American history in the state a historical overview notable African Americans and their pioneering accomplishments and state specific traditions or activities This state by state treatment of information allows readers to take pride in what happened in their state and in the famous people who came from their state **Black San Francisco** Albert S. Broussard,1993 This work explores race relations in the city of San Francisco where whites for the most part were outwardly civil to blacks while denying them employment opportunities and political power The author argues that it is essential to understand the nature of the racial caste system *Blacks in the American West and Beyond--America, Canada, and Mexico* George H. Junne,2000-05-30 Almost a century before their arrival in the English New World Blacks appeared alongside the Spanish in what is now the American West Through their families communities and institutions these Western Blacks left behind a long history which is just now beginning to receive systematic scholarly treatment Comprehensively indexing a variety of research materials on Blacks in the North American West Junne offers an invaluable navigational tool for students of American and African American history Entries are organized both geographically and topically and cover a broad range of subjects including cross cultural interaction health art and law Contains a complete compilation of African American newspapers Composition in Black and White Kathryn Talalay,1997 Showing how Schuyler s classical music career in America was cut short by racism this biography is a stimulating addition to the record of race relations in America as well as a monument to an extraordinary woman African-American Social Leaders and Activists Jack Rummel,2014-05-14 Whether abolitionists or slave revolt leaders Notable Black American Women Jessie Carney Smith,Shirelle Phelps,1992 Arranged alphabetically from Alice of Dunk s Ferry to Jean Childs Young this volume profiles 312 Black American women who have achieved national or international prominence **African American Historic Places** National Register of Historic Places,1995-07-13 Culled from the records of the National Register of Historic Places a roster of all types of significant properties across the United States African American Historic Places includes over 800 places in 42 states and two U S territories that have played a role in black American history Banks cemeteries clubs colleges forts homes hospitals schools and shops are but a few of the types of sites explored in this volume which is an invaluable reference guide

for researchers historians preservationists and anyone interested in African American culture Also included are eight insightful essays on the African American experience from migration to the role of women from the Harlem Renaissance to the Civil Rights Movement The authors represent academia museums historic preservation and politics and utilize the listed properties to vividly illustrate the role of communities and women the forces of migration the influence of the arts and heritage preservation and the struggles for freedom and civil rights Together they lead to a better understanding of the contributions of African Americans to American history They illustrate the events and people the designs and achievements that define African American history And they pay powerful tribute to the spirit of black America **To Save My Race from**

Abuse Edward J. Robinson, 2007-03-18 The story of a fascinating and important figure in black American religious history Samuel Robert Cassius was born to a slave mother and a white father in Virginia in 1853 and became a member of the Restorationist Movement Disciples of Christ while a coal miner in Indiana For the rest of his long life he died in 1931 at age 78 Cassius was an active evangelist prolific publicist dedicated leader of black Disciples and an outspoken and uncompromising opponent of racism in religion and society An indefatigable preacher Cassius ranged throughout the Midwest California and the southwestern states founding and encouraging black Stone Campbell Restorationist congregations After entering the Oklahoma Territory in 1891 he worked for three decades as an educator newspaper editor social activist postmaster and Justice of the Peace Because he consistently incorporated social and racial issues into his religious writings Cassius often found himself at odds with whites in the Stone Campbell Movement the very people he relied on for monetary support He advocated a Booker T Washington style self help ethos while at the same time firmly resisting racism wherever he encountered it Largely invisible in a world dominated by such towering figures as Washington Frederick Douglass Ida B Wells and W E B DuBois Cassius lived a life of virtual obscurity beyond the circle of the Stone Campbell Movement His story is important because as a racial militant and separatist he presaged the schism that would engulf and fracture the Churches of Christ in the 1960s when blacks and whites went their separate ways and formed two distinct groups in one religious fellowship By combing through a plethora of primary sources that Cassius left behind in both religious and nonreligious journals Edward J Robinson has successfully reconstructed and recaptured the essence of Cassius complex and extraordinary life This book offers the first full length study of a man of remarkable attainment despite daily obstacles and resistance **Critical Voicings of Black Liberation** Kimberley Louise Phillips, 2003 The contributions to

Critical Voices of Black Liberation in the Americas originated from the 1999 CAAR Conference in Munster and from conferences held in the US in 2000 and 2001 More than half of the eleven essays consider black performances on stage in sound and on film the remaining essays explore slavery African American literature and nineteenth century black educators These exciting essays creatively examine artistic and or political articulation of black liberation as the construction of a new critical and signifyin g voice This liberated and critical voice asserts itself as much as a communal expression of black

subjectivities as it is an articulation of the black self Encyclopedia of the Great Plains David J. Wishart, 2004-01-01
Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging pun intended encyclopedia of this important region Their objective was to give definition to a region that has traditionally been poorly defined and they have
