Marshall, 2016-02-17 Tracing the use of legal themes in the gothic novel Bridget M Marshall shows these devices reflect an outpouring of anxiety about the nature of justice On both sides of the Atlantic novelists like William Godwin Mary Shelley Charles Brockden Brown and Hannah Crafts question the foundations of the Anglo American justice system through their portrayals of criminal and judicial procedures and their use of found documents and legal forms as key plot devices As gothic villains from Walpole s Manfred to Godwin s Tyrrell to Stoker s Dracula manipulate the law and legal system to expand their power readers are confronted with a legal system that is not merely ineffective at stopping villains but actually enables them to inflict ever greater harm on their victims By invoking actual laws like the Black Act in England or the Fugitive Slave Act in America gothic novels connect the fantastic horrors that constitute their primary appeal with much more shocking examples of terror and injustice Finally the gothic novel s preoccupation with injustice is just one element of many that connects the genre to slave narratives and to the horrors of American slavery *Blackstone's Pursuits (Oz Blackstone series, Book 1)* Quintin Jardine, 2019-12-30 When private enquiry agent Oz Blackstone takes on the job of finding an insurance company s missing half million he s hoping for a healthy finder s fee not a life changing experience But when he finds the corpse of the would be embezzler with a knife in his back and no sign of the missing money what had seemed like a routine job begins to look distinctly dodgy Until the captivating Primavera Prim Phillips arrives on the scene wondering why she s been greeted

*Darker, Fifty Shades of Dark Romance, [Black Ice] Fifty Shades of Blackstone, Billionaire Romance, Why Choose Dark Romance, Morally Grey Men* Rachel E Rice, 2024-09-27 Alex When I need Jonas the most he has deserted me It's not Jonas Blackstone's job to come to my defense it's Maximillian Blackstone's Why not Jonas He said he loved me but I rejected everything from him except Alex Blackstone's body shook and it carried the bitter hint of fear A familiar scent since she'd married Christian aboard his yacht It had become the soundtrack swirling through her mind ever since Christian's monstrous attack which had chased her

in her dreams Jonas threw her a lifeline but Alex knew this was different This was a terror that ran deeper than any man's wrath a fear that gnawed at her soul Her son Maxim was gone and Jonas couldn't be found because he was no doubt tied up with newfound love in the arms of a woman who wouldn't understand Jonas and Alex's problematic relationship Maximilian her husband was consumed by old business the threat to his life and family and his marriage and how he'd allowed Alex to be sullied in front of strangers Black Ice a Blackstone novel is a dark spicy romance with a HFN ending [Candy's Corporate Crush](#) Tina Martin, A past relationship kept her from wanting to love again but Candice has found her ONE Kurt Hempstead Her secret long distance relationship with him keeps her free from her extremely overprotective brother's but Kurt is no longer willing to be in the shadows Candice has her reasons for not telling her family about him She doesn't want to hear their constant judgments about her life and her decisions And the biggest reason of all Kurt works for a rival company who wants to buy her father's company Blackstone Financial The constant drama proves to be too much for her but only gets worse when she's blackmailed into having dinner with her ex in order to save her father's company from dissolution She wants love she wants her father's business to thrive and she wants her family to be happy But can having it all cost you everything you have The Blackstone Series Book 1 Evenings With Bryson Bryson Kalina Book 2 Leaving Barringer Barringer Calista Book 2 5 Forever Us Barringer and Calista Follow up to Barringer Calista Book 3 The Things Everson Lost Everson June Book 4 Candy's Corporate Crush [Blackstone and the Rendezvous with Death \(the Blackstone Detective Series\)](#) Sally Spencer, 2016-03-31 The body of a young man fished out of the Thames is of little interest to Londoners caught up in the excitement of Queen Victoria's Diamond Jubilee celebrations Yet to Inspector Sam Blackstone the case is as puzzling as any he has ever come across Why should a corpse dressed in the rags of a commoner have the face of a gentleman And if this man does belong to noble stock why has no one come forward to claim the body As his investigation proceeds Blackstone finds himself entering the world of the aristocracy in which the presence of an ordinary policeman is far from welcome and tramping the dangerous streets of London's Little Russia where English law and order are not welcome Death seems to stalk him and as each new clue leads to nothing more than a new murder Blackstone comes to realize that he is caught up in what may turn out to be the most horrendous crime of the century Blackstone and the Rendezvous with Death is an expertly plotted Victorian mystery that will keep readers guessing to the last page Praise for Sally Spencer Spencer's finest hour a tightly plotted puzzler with surprises at every turn Kirkus Reviews Spencer is an accomplished craftsman who serves up a good puzzle and deftly solves it with intelligence and insight Publishers Weekly Characters are diverse intriguing and believable plots never fail to surprise and the procedural details are grittily realistic Kirkus Reviews Sally Spencer worked as a teacher both in England and Iran where she witnessed the fall of the Shah She now writes full time Endeavour Press is the UK's leading independent digital publisher For more information on our titles please sign up to our newsletter at [www.endeavourpress.com](http://www.endeavourpress.com) Each week you will receive updates on free and discounted ebooks Follow us on Twitter

Carrese, 2010-02-15 How did the US judiciary become so powerful powerful enough that state and federal judges once vied to decide a presidential election What does this prominence mean for the law constitutionalism and liberal democracy In *The Cloaking of Power* Paul O Carrese provides a provocative analysis of the intellectual sources of today's powerful judiciary arguing that Montesquieu in his *Spirit of the Laws* first articulated a new conception of the separation of powers and strong but subtle courts Montesquieu instructed statesmen to cloak power by placing judges at the center of politics while concealing them behind juries and subtle reforms Tracing this conception through Blackstone Hamilton and Tocqueville Carrese shows how it led to the prominence of judges courts and lawyers in America today But he places the blame for contemporary judicial activism squarely at the feet of Oliver Wendell Holmes Jr and his jurisprudential revolution which he believes to be the source of the now prevalent view that judging is merely political To address this crisis Carrese argues for a rediscovery of an independent judiciary one that blends prudence and natural law with common law and that observes the moderate jurisprudence of Montesquieu and Blackstone balancing abstract principles with realistic views of human nature and institutions He also advocates for a return to the complex constitutionalism of the American founders and Tocqueville and for judges who understand their responsibility to elevate citizens above individualism instructing them in law and right      **Catalogue of the Deffett Francis collection in the reference department of the Swansea public library** Swansea Public Library, John Deffett Francis, 1887
