Blackthorn Winter Sarah Challis, 2003 The Blackthorn Winter Philippa Powys, 1930 **Dictionary of Plant Lore** D.C. Watts, 2007-05-02 Knowledge of plant names can give insight into largely forgotten beliefs For example the common red poppy is known as Blind Man due to an old superstitious belief that if the poppy were put to the eyes it would cause blindness Many plant names derived from superstition folk lore or primal beliefs Other names are purely descriptive and can serve to explain the meaning of the botanical name For example Beauty Berry is the name given to the American shrub that belongs to the genus Callicarpa Callicarpa is Greek for beautiful fruit Still other names come from literary sources providing rich detail of the transmission of words through the ages Conceived as part of the author s wider interest in plant and tree lore and ethnobotanical studies this fully revised edition of Elsevier s Dictionary of Plant Names and Their Origins contains over 30 000 vernacular and literary English names of plants Wild and cultivated plants alike are identified by the botanical name Further detail provides a brief account of the meaning of the name and detailed commentary on common usage Includes color images Inclusive of all Latin terms with vernacular derivatives The most comprehensive guide for plant scientists linguists botanists and historians **Blackthorn Winter** Kathryn Reiss, 2015-11-05 With her parents on a trial separation the last thing fifteen year old Juliana wants is to be dragged by her mother to an artists colony in England Halfway across the world Juliana misses her father terribly But soon she has bigger worries when the sleepy town of Blackthorn is set on its heels by the murder of one of its own Juliana feels compelled to solve the crime but she is shocked and frightened when she uncovers clues that have chilling parallels to her own mysterious past Can she figure out who the murderer is before anyone else herself included gets hurt Blackthorn Winter Carol TOWNEND, 1993 **Blackthorn Winter** Liz Williams, 2021-01-19 Rediscover your sense of wonder The sequel to Comet Weather The Fallow Sisters Bee Stella Serena Luna four fey sisters drawn ever further from the familiar world of contemporary London and their Somerset home from motorways fashion design and music into darker realms where no one is who they seem and nothing is to be trusted When Serena s latest collection is mysteriously shredded on the eve of fashion week the arrival of a wealthy benefactor seems a Godsend but is he all he seems and what of the green skinned girl Bee takes in after finding her cowering in a churchyard How are these connected to the magpie changeling who claims to be an angel sent to watch over Stella or the timeslips Luna is experiencing with ever greater frequency now that she s pregnant Something is coming for the Fallow sisters their lovers and their friends but they have no idea what and their mother Alys is no help as she s gone wandering again though she did promise to return by Christmas and December is already here *The Blackthorn Winter* Dorothy Black, 1953 Blackthorn Winter Douglas Wilson, 2009-11 Treasure financial hardship and pirate mistique sic all add to a cleverly woven tale of uncommon honor in the face of insidious treachery that stretches from the days of cutlasses and muskets to our own Page 4 of cover The Primrose Gatherer Terry Trainor, **Blackthorn winter** John Davys Beresford, 1936 **The Hearth**
