Between Biblical Criticism and Poetic Rewriting Samuel Tongue, 2014-04-17 In *Between Biblical Criticism and Poetic Rewriting* Samuel Tongue offers an account of the aesthetic and critical tensions inherent in the development of the Higher Criticism of the Bible Different types of Bible are created through the intellectual and literary pressures of Enlightenment and Romanticism and as Tongue suggests it is this legacy that continues to orientate the approaches deemed legitimate in biblical scholarship Using a number of ancient and contemporary critical and poetic rewritings of Jacob's struggle with the angel Gen 32 22-32 Tongue makes use of postmodern theories of textual production to argue that it is the paragesis a parasitical form of writing between disciplines that best foregrounds the complex performativity of biblical interpretation

The Unchained Bible Hugh S. Pyper, 2012-12-06 This volume explores a number of instances of unexpected but influential readings of the Bible in popular culture literature film music and politics The argument in all of them is that the effects of the Bible continues to have an effect on contemporary culture in ways that may surprise and sometimes dismay both religious and secular groups That the Bible was at one time chained in churches is true The subversive misreading of this enchainment as a symbol of a book in captivity to the established church is hard to suppress however Yet once released from these chains the Bible proves to be a text that gets everywhere and which undergoes surprising and sometimes contradictory metamorphoses The pious advocates of making the Bible accessible who sought to free it from the churches chains are the very people who then decry some of the results when the Bible is free to roam
