Blackwell Remembers An Autobiography:

The Organization and Structure of Autobiographical Memory John H. Mace, 2019 This book explores the organization and structure of autobiographical memory Based on over thirty years of research and the latest empirical findings it presents the major theories and problems in the science of autobiographical memory organization Reappraising the Life and Legacy of Jan C. Smuts David Boucher, Bongani Ngqulunga, 2024-08-01 In this book the authors cover both familiar and unfamiliar themes One of the principal themes running throughout the book addresses head on the deficiency in the literature highlighted by Saul Dubow namely the question of racism and Smuts s reluctance to implement native policies that may have averted future problems rather than postpone them We see throughout a gap between the rhetoric and policy and between policy and practice in its implementation Amongst the familiar themes that are reappraised are Smuts s successes and failures in policies and leadership domestically and internationally This wide ranging volume re evaluates myriad aspects of Smuts life philosophy political career and legacy An important and timely book exploring one of South Africa s most consequential and controversial leaders Luc Andre Brunet Contemporary International History The Open University The book is a great contribution to South African cultural and social history With the military element covered in other publications the editors and authors have focussed on the less well trodden aspects of Smuts s history including but not limited to discussions on the atomic bomb counter revolution film early cabinets racialism trusteeship greatness political philosophy racial segregation and myth making The editors have skilfully continued the longer political discussion reflecting on the myth and legacy of a prominent South African Smuts Antonio Garcia Stellenbosch University coauthor of *Botha Smuts and the First World War* co founder *Underground Strategy* **General Jan Smuts and his First World War in Africa, 1914-1917** David Brock Katz, 2022-05-19 A new assessment of Jan Smuts s military leadership through examination of his World War I campaigning demonstrating that he was a gifted general conversant with the craft of maneuver warfare and a command style steeped in the experiences of his time as a Boer general World War I ushered in a renewed scramble for Africa At its helm Jan Smuts grabbed the opportunity to realize his ambition of a Greater South Africa He set his sights upon the vast German colonies of South West Africa and East Africa the demise of which would end the Kaiser s grandiose schemes for Mittelafrika As part of his strategy to shift South Africa s borders inexorably northward Smuts even cast an eye toward Portuguese and Belgian African possessions Smuts his abilities as a general much denigrated by both his contemporary and then later modern historians was no armchair soldier This cabinet minister and statesman donned a uniform and led his men into battle He learned his soldiery craft under General Koos De la Rey s tutelage and another soldier statesman General Louis Botha during the South African War 1899-1902 He emerged from that war immersed in the Boer maneuver doctrine he devastatingly waged in the guerrilla phase of that conflict His daring and epic invasion of the Cape at the head of his commando remains legendary The first phase of the German South West African campaign and the Afrikaner Rebellion in

1914 placed his abilities as a sound strategic thinker and a bold operational planner on display Champing at the bit he finally had the opportunity to command the Southern Forces in the second phase of the German South West African campaign Placed in command of the Allied forces in East Africa in 1916 he led a mixed bag of South Africans and Imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppe Using his penchant for Boer maneuver warfare together with mounted infantry led and manned by Boer Republican veterans he proceeded to free the vast German territory from Lettow Vorbeck's grip Often leading from the front his operational concepts were an enigma to the British under his command remaining so to modern day historians Although unable to bring the elusive and wily Lettow Vorbeck to a final decisive battle Smuts conquered most of the territory by the end of his tenure in February 1917 General Jan Smuts and His First World War in Africa makes use of multiple archival sources and the official accounts of all the participants to provide a long overdue reassessment of Smuts's generalship and his role in furthering the strategic aims of South Africa and the British Empire in Africa during World War I *The Act of Remembering* John H. Mace, 2011-07-07 The first volume devoted solely to autobiographical memory retrieval The Act of Remembering serves as a primer of ideas methodology and central topics and lays the groundwork for future research in the field Contains new forward looking theories from leading international scholars Answers questions such as Do we retrieve memories according to when and where we need them How much conscious control do we have over what we remember Why are some people more likely than others to have intrusive flashbacks following a stressful event Pays particular attention to voluntary and involuntary recall General Jan Smuts And his First World War in Africa (1914-19-17) David Brock Katz, 2022-08-24 An engaging well written and meticulously researched military biography Tim Stapleton Professor Department of History University of Calgary Jan Smuts grabbed the opportunity to realise his ambition of a Greater South Africa when the First World War ushered in a final scramble for Africa He set his sights firmly northward upon the German colonies of South West Africa and East Africa Smuts's abilities as a general have been much denigrated by his contemporaries and later historians but he was no armchair soldier He first learned his soldier's craft under General Koos de la Rey and General Louis Botha during the South African War 1899-1902 He emerged from that conflict immersed in Boer manoeuvre doctrine After forming the Union Defence Force in 1912 Smuts played an integral part in the German South West African campaign in 1915 Placed in command of the Allied forces in East Africa in 1916 he led a mixed bag of South Africans and imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppen His penchant for manoeuvre warfare and mounted infantry freed most of the vast German territory from Lettow Vorbeck's grip General Jan Smuts and his First World War in Africa provides a long overdue reassessment of Smuts's generalship and his role in furthering the strategic aims of South Africa and the British Empire during this era

Autobiographical Memory and Moral Agency Daniel Vanello, 2025-10-27 This volume brings together for the first time perspectives from philosophy and psychology to investigate the role of autobiographical memory in moral agency Autobiographical memory is the ability to recollect events in one's past as part of one's personal history Moral agency is the ability to make moral judgements act morally and have a conception of the good life Although a number of philosophers and psychologists have drawn attention to the role of autobiographical memory in moral agency there is no sustained project that brings together these different lines of inquiry

into a unified research area The aim of this volume is to answer this need by bringing together leading voices in research in autobiographical memory and moral agency from both philosophy and psychology to provide a unified framework for a new interdisciplinary research area Key areas of research explored in this volume include temporal perspectives moral identity autobiographical narrative joint reminiscing the internalisation of moral value attachments and amnesia Autobiographical Memory and Moral Agency will appeal to researchers and advanced students in philosophy of mind moral philosophy philosophy of education developmental psychology and educational psychology who are interested in the role of memory in moral psychology and moral development

A Memoir of the New Left Charles Atkinson Haynie, 2009 In Charles Haynie's autobiography we get a rare look into the development of a great social movement through the quietly dramatic experiences of a rank and file member of that movement This is valuable social history but more important Charles Haynie's life is an inspiration for a new generation

Howard Zinn Charles Haynie's life as an activist and organizer began while he was a graduate student at Cornell University Young fiercely intelligent and spirited Haynie had a political awakening during the early antinuclear movement in the late 1950s It was the beginning of a long career of tireless fighting for social justice a career that Haynie himself compellingly

describes in *A Memoir of the New Left* From 1963 to 1965 Haynie was field director for a voter registration project in Tennessee In 1967 he worked with Massachusetts Political Action for Peace as an organizer of antiwar delegations in all twelve congressional districts of the state Haynie also ran for a Buffalo Common Council seat in 1979 and helped organize the Buffalo Unity Day rally to ease racial tensions During his most intense period of political activism Haynie helped organize participated in and was arrested during the Freedom Rides in which scores of civil rights protesters rode buses throughout the segregated South Later he participated in a variety of intentional communities designed to educate and support oppressed minorities in rural and urban areas He died in 2001 Unlike other histories of the American left which tend to celebrate famous personalities Haynie s memoir focuses on how ordinary citizens become politicized In the process this account raises questions about the nature of democracy and how political change occurs Written in an engaging reflective often humorous style Haynie examines how his political awakening both disrupted and enriched his personal life Aeron Haynie the daughter of Charles Haynie is associate professor of English at the University of Wisconsin Green Bay She is the coeditor with Pamela Gilbert and Marlene Tromp of *Mary Elizabeth Braddon in Context* and the coeditor with Regan Gurung and Nancy Chick of *Exploring Signature Pedagogies* Timothy S Miller lives in Dallas Texas with his wife and daughter He s been a ranch hand waiter contract driver professional clown and spent ten years in global wealth management Douglas Dowd was a longtime professor at Cornell University before his retirement An economic historian and political activist his most recent books include *Capitalism and Its Economics A Critical History* and *Understanding Capitalism Critical Analysis from Karl Marx to Amartya Sen* [Race, Taste and the Grape](#) Paul Nugent,2024-03-28 With the introduction of wine to the Cape Colony it became associated locally with social extremes with the material trappings of privilege and taste on the one side and the stark realities of human bondage on the other By examining the history of Cape wine Paul Nugent offers a detailed history of how in South Africa race has shaped patterns of consumption The book takes us through the Liquor Act of 1928 which restricted access along racial lines intervention to address overproduction from the 1960s and then latterly in the wake of the fall of the Apartheid regime deregulation in the 1990s and South Africa s re entry into global markets We see how the industry struggled to embrace Black Economic Empowerment environmental diversity and the consumer market This book is an essential read for those interested in the history of wine and how it intersects with both South African and global history [Yorkshire Diaries and Autobiographies in the Seventeenth and Eighteenth Centuries](#) Charles Jackson,Samuel Margerison,1886 **Yorkshire Diaries & Autobiographies in the Seventeenth and Eighteenth Centuries** ,1886 [Yorkshire Diaries and Autobiographies in the Seventeenth and Eighteenth Centuries](#) ,1886 **Yorkshire Diaries and Autobiographies in the Seventeenth and Eighteenth Centuries** Surtees Society (Durham, City of),1886
