**I Blame Eve** Susanna Foth Aughtmon, 2012-04-01 When our great to the nth degree grandmother Eve ate the fruit we lost out on the perfect life But that doesn't stop us from trying does it In fact we make trying to be perfect the focus of our entire lives But what would happen if we stopped trying to be perfect and started trying to be his In this fantastically witty book Susanna Foth Aughtmon helps women find out what it means to be honest about what we crave in life and let go of our deep need to be in control Using Scripture and amusing personal stories she shows women the freedom of embracing the unique path God lays out for each of us Includes study questions to facilitate group or individual use *Eve* Jamie Perez,

The Bible As It Was James L. Kugel, 1999-11-01 Leading us chapter by chapter through the Hebrew Bible's most important stories from the Creation and the Tree of Knowledge through the Exodus from Egypt and the journey to the Promised Land Kugel shows how a group of anonymous ancient interpreters radically transformed the Bible and made it into the book that has come down to us today *Daring, Disreputable and Devout* Dan W. Clanton, 2009-04-01 Stories of women in the Bible have been interpreted by artists writers musicians filmmakers and biblical commentators for centuries However in many cases these later interpreters have often adapted and altered the Bible to fit their own views of the stories Ironically these later renderings usually serve as the basis for the generally accepted views of biblical women For example many readers of the Bible assume that Eve is to blame for the disobedient act in the Garden of Eden or that Delilah seduced Samson and then cut his hair A closer look at these assumptions though reveals that they are not based on the Bible but are mediated through the creations of later interpreters In this book the author examines eight such women's stories and shows how later readers interact with the biblical stories to construct sometimes fanciful sometimes faulty views of these women Dan Clanton Jr broadens our awareness of the influence of these later readings on how we understand biblical women so that we can be more critical in our engagement with them and become more familiar with what the Bible actually says about the women whose stories it contains *Escapegoat* Jo Reina Rhodes, 2019-10-28 *Escapegoat* A Guide for Christian Women on Transforming Dysfunctional Relationships By Jo Rhodes Follow Jo Rhodes as she shares her long struggles with relationship patterns that left her feeling trapped and a victim Rhodes relates how her faith in God led her to discovering strategies for how to live victoriously Using biblical scripture she will place any reader on the path to deliverance from being and feeling like a scapegoat Rhodes guides the reader through steps to find emotional and spiritual healing from past dysfunctional relationships *Escapegoat* A Guide for Christian Women on Transforming Dysfunctional Relationship Patterns will appeal to readers to are interested in spiritual self help books **Byzantine and Renaissance Philosophy** Peter Adamson, 2022 Peter Adamson presents an engaging and wide ranging introduction to the thinkers and movements of two great intellectual cultures Byzantium and the Italian Renaissance First he tells the story of philosophy in the Eastern Christian world from such early figures as John of Damascus in the eighth century to the late Byzantine scholars of the fifteenth century Then he

Strife (Satan's Counterfeit) Vs. Peace (God's Perfect Gift) Lorna Carroll, 2017-12-20 I accepted Jesus Christ as my savior when I was nine years old I fell in love with the Lord because I found out He loved me I went to church all my life raised my children in church but I was still bound up with insecurities inside until I was forty eight years old When God set me free I became determined to help others be set free I was like Lazarus at the tomb free and yet still bound So many people are living in an inner hell Satan is in control of their lives and they don't even realize it Not only lost people are living in a private hell but so many Christians are too I am tired of saved people living in defeat I am spending the rest of my life declaring war on the devil I am spending the rest of my life helping God expose the enemy in our lives I want people set free and living the abundant life in Christ Jesus It is time for Christians to take a stand in their own lives if they ever want to make a difference in someone else's life It is up to us to show them the way We can no longer be content to go through life allowing the devil to manipulate us like puppets on a string We have got to start recognizing the enemy at work in our lives and start taking control over him We have the weapons and the authority to use them on him Let's begin to take control of our lives the way God meant for us to It is time to declare war and start marching against the strife in our lives Satan's counterfeit and start living in peace God's perfect gift

Markle,2018-03-01 The Word of God boldly declares that if the foundations be destroyed what can the righteous do Ps 11 3 It has long been understood and in virtually every culture that the family is the foundation upon which every society is built As the family breaks down so does society Today perhaps as never before God s plan for marriage and the family are under vicious attack not just in America but around the world But even in the darkness of a sin soaked and morally perverse culture there is light That blessed light offers hope to the sinner and the society in which he lives for that light comes from the Word

of God the Bible There we are told that the Lord Jesus Christ is the true Light which lighteth every man that cometh into the world We are further told that the light shineth in darkness John 1 5 9 In his book Marriage A Covenant Before God Pastor Jeremy Markle presents in a beautiful yet practical way the Biblical Light that offers real hope for a happy fulfilling Christian marriage He basically presents in written form a complete marriage counseling class Sad to say but there are numbers of couples who marry with little or no marriage counseling from their pastor In this book couples like that will now have access to a biblical formula for a happy Christian marriage Pastor Markle deals with the intimacy of marriage in a very discreet and delicate manner One of the things that makes this book unique is the set of serious thought provoking questions he asks at the end of each chapter with a place for the reader to write an answer I highly recommend this book to every fundamental pastor for use as a marriage counseling textbook I urge every young person contemplating marriage to prayerfully and carefully read the advice that is presented in this much needed work Evangelist Ken Lynch Taylors SC 2014      **Such a**

**Mind as This** Richard L. Smith, 2021-12-17 Our intellectual context is very complicated There are competing pedagogues divergent epistemological agendas and flawed participants The mind is a warzone The Old Testament depicts a battlefield between the sinful mind and God's revelation Today many Christians minimize the intellect and do not recognize how sin impacts thinking Many do not know how to love God with the mind Many suffer from anti intellectual inertia They think like consumers shopping for knowledge learning formats and instructors that conform to their buying preferences They prefer junk food for their minds They often fulfill the role assigned to them by the world intellectual simplicity private religiosity and subjective spirituality By comprehensively examining Old Testament teaching concerning the mind this book promotes a spirituality that puts thinking in its proper place It explains what God requires intellectually of his vice regents It shows that our world is a labyrinth but that God's revelation is our reliable guide This book motivates readers to strive for mental piety wisdom and intellectual development for the glory of God and the fulfillment of our mandate on earth Readers will learn from their ancient brethren how to better steward their minds      Liberating Inner Eve Bozena Zawisz, 2017-07-26 I wrote
