Blame it on the Buddhists, and Other Stories Martin E. Segal,1993      The Clever Adulteress and Other Stories Phyllis Granoff,1993 The stories in this collection span almost one thousand years of story telling in India Most originate in North India and all were written by Jain monks for the edification and amusement of the faithful The treasures of India s heritage of story telling are known to us today mainly from these Jain stories which have been carefully preserved through the years The Stories in The Clever Adulteress have been translated by a renowned group of scholars from India North America and Europe Each translator has chosen his or her favorites from the vast treasures of Jain literature      *Tricycle* ,2000      **Books in Print** ,1994      The Story of Tibet Thomas Laird,2018-09-01 A memorable and vivid history lesson about a remote mysterious place that in terms of its sheer survival has implications for our own lives The Times Picayune Over the course of three years journalist Thomas Laird spent more than sixty hours with His Holiness the Dalai Lama in candid one on one interviews that ranged widely covering not only the history of Tibet but science reincarnation and Buddhism Laird brings these meetings to life in this vibrant monumental work that outlines the essence of thousands of years of civilization myth and spirituality Tibet s story is rich with tradition and filled with promise It begins with the Bodhisattva Chenrizi The Holy One whose spirit many Tibetans believe resides within the Dalai Lama We learn the origins of Buddhism and about the era of Great Tibetan Emperors whose reign stretched from southwestern China to Northern India His Holiness introduces us to Tibet s greatest yogis and meditation masters and explains how the institution of the Dalai Lama was founded Laird explores with His Holiness Tibet s relations with the Mongols the Golden Age under the Great Fifth Dalai Lama Tibet s years under Manchu overlords modern independence in the early twentieth century and the Dalai Lama s personal meetings with Mao just before His Holiness fled into exile in 1959 The Story of Tibet is a tenderly crafted study that is equal parts love letter traditional history and oral history Publishers Weekly Captivating reading *Tricycle*      *Blaming Japhy Rider* Philip A. Bralich,2012-01-25 Inspired by and responding to Jack Kerouacs Dharma Bums this memoir details the psychological and spiritual triumph over severe psychological difficulties caused by a series of traumas endured in the Peace Corps in West Africa in 1978 Surveying the spiritual landscape of America through the seventies to the present in Zen Tibetan Buddhist New Age and Christian movements this memoir describes the journey of author Philip A Bralichs life beginning as a twenty something leftist married seventies idealist in the Peace Corps in West Africa through an accident in the bush that cost his wife her life and himself much of the use of he left leg and through the growing and debilitating psychological difficulties that were finally resolved through wide reading and personal experience of many of the spiritual and psychological movements of those four decades The book commences in West Africa in 1978 but also goes back to as early as 1973 just four years after Jack Kerouac died      **Small Press Record of Books in Print** Len Fulton,1994      *East Asian Landscapes and Legitimation* Yasmin Koppen,2024-06-17 The conquest of Sichuan and Vietnam by the Chinese Empire led to very different outcomes This

volume examines the negotiations between central authority and local autonomy the physical manifestations of socially constructed identities and the transformation of sacred spaces which reflect broader social political and religious currents It also offers a method to study spatial social interactions in historical settings that provides insights into dynamics of power imposition and identity negotiation in local contexts Experiential Architecture Analysis EAA serves to explore the interplay of local traditions transcultural ideology transfer and sacred water sites in the peripheries of Chinese culture It analyzes the spatial ensembles of sacred sites regarding their roles for legitimation dominance and social resistance while highlighting the agency of consumers to redefine spatial media All scholars of Chinese and Southeast Asian History of Religious Studies or Cultural Anthropology find in this volume valuable insights for their research especially where it concerns areas lacking reliable written sources      **American Book Publishing Record** ,2005      **Buddhism and Islam on the Silk Road** Johan Elverskog,2011-06-06 In the contemporary world the meeting of Buddhism and Islam is most often imagined as one of violent confrontation Indeed the Taliban s destruction of the Bamiyan Buddhas in 2001 seemed not only to reenact the infamous Muslim destruction of Nalanda monastery in the thirteenth century but also to reaffirm the stereotypes of Buddhism as a peaceful rational philosophy and Islam as an inherently violent and irrational religion But if Buddhist Muslim history was simply repeated instances of Muslim militants attacking representations of the Buddha how had the Bamiyan Buddha statues survived thirteen hundred years of Muslim rule Buddhism and Islam on the Silk Road demonstrates that the history of Buddhist Muslim interaction is much richer and more complex than many assume This groundbreaking book covers Inner Asia from the eighth century through the Mongol empire and to the end of the Qing dynasty in the late nineteenth century By exploring the meetings between Buddhists and Muslims along the Silk Road from Iran to China over more than a millennium Johan Elverskog reveals that this long encounter was actually one of profound cross cultural exchange in which two religious traditions were not only enriched but transformed in many ways      **Buddhist Saints in India** Reginald A. Ray,1999-09-30 The issue of saints is a difficult and complicated problem in Buddhology In this magisterial work Ray offers the first comprehensive examination of the figure of the Buddhist saint in a wide range of Indian Buddhist evidence Drawing on an extensive variety of sources Ray seeks to identify the classical type of the Buddhist saint as it provides the presupposition for and informs the different major Buddhist saintly types and subtypes Discussing the nature dynamics and history of Buddhist hagiography he surveys the ascetic codes conventions and traditions of Buddhist saints and the cults both of living saints and of those who have passed beyond Ray traces the role of the saints in Indian Buddhist history examining the beginnings of Buddhism and the origin of Mahayana Buddhism      *Selling Songs and Smiles* Janet R. Goodwin,2006-12-31 *Selling Songs and Smiles* explores female sexual entertainment songs and smiles during Japan s Heian and Kamakura periods examining the gradual construction of a transgressive identity prostitute for women engaged in the sex trade Over some four hundred years the character and public image of sexual entertainment was shaped by growing restrictions on female sexual activity

and increasingly negative views of the female body themselves the result of socioeconomic change in society at large Although it is possible to paint a picture of the general decline in the status of women in the sex trade there were also ambiguities in how they were regarded by society in the very oldest extant references to them in historical sources Using essays diaries legal documents stories and illustrated works this original and distinctive study unravels social attitudes toward female sexual entertainers and examines changes in their trade and the treatment they received at the hands of the court the bakufu and religious institutions Compellingly argued and stylishly written *Selling Songs and Smiles* challenges several prevailing interpretations most notably the organic connection posed by scholars between shamans and sexual entertainers Based on her exhaustive research into multiple types of primary sources Janet Goodwin views women involved in the sex trade neither as entirely social marginals nor artisans situated within normal societal bounds What emerges from her study is the complex and often contradictory nature of the Heian and Kamakura discourse on sexual entertainment

**Buddhism After Patriarchy** Rita M. Gross, 1993-01-01 This book surveys both the part women have played in Buddhism historically and what Buddhism might become in its post patriarchal future The author completes the Buddhist historical record by discussing women usually absent from histories of Buddhism and she provides the first feminist analysis of the major concepts found in Buddhist religion Gross demonstrates that the core teachings of Buddhism promote gender equity rather than male dominance despite the often sexist practices found in Buddhist institutions throughout history *Blessed Relief* Gordon Peerman, 2008 A thoughtful down to earth look at helpful ways to lessen human suffering This book takes you on a lively sometimes light hearted journey through nine Buddhist practices that can bring blessed relief to a wide range of human suffering and teaches you skills to reduce suffering in the long term for yourself and others The practices help you Loosen the grip of suffering Engage and question limiting views thoughts and opinions Deconstruct ten common assumptions Be present in each moment Survive emotional storms Develop peaceful communication skills Deepen communication with your partner Appreciate mortality and the preciousness of life Cultivate compassion As you read the chapters and engage in each practice you will work with your own stories of suffering stories in which you have felt abandoned deprived subjugated defective excluded or vulnerable and you will learn how to release yourself from suffering by investigating it with curiosity and kindness *The Making of American Buddhism* Scott A. Mitchell, 2023 This volume looks at the intersection of race and religion in the United States before during and after World War II when Nisei second generation Japanese American Jodo Shinshu or Shin Buddhists reacted to the trauma of racial and religious discrimination **The Progressive Planter** Joe Graves, 2025-06-17 Discover how to launch an inclusive Church for today's world Equip new church start pastors sending churches and denominational leaders with the essential tools to establish an inclusive theologically healthy church that will impact its community Learn about crafting a vision recruiting leaders working with parent churches and denominations marketing reclaiming evangelism and cultivating generous givers With the purchase of *The Progressive Planter* you will
