Blast Man Standing:

Blast Man Standing Robert V. Spelleri, 2003-01-01 Last Man Standing Dick Camp, 2010-11-10 One of the bloodiest battles in Marine Corps history Operation Stalemate as Peleliu was called was overshadowed by the Normandy landings It was also in time judged by most historians to have been unnecessary though it had been conceived to protect MacArthur's flank in the Philippines the U S fleet's carrier raids had eliminated Japanese airpower rendering Peleliu irrelevant Nevertheless the horrifying number of casualties sustained there 71% in one battalion foreshadowed for the rest of the war rather than fight to the death on the beach the Japanese would now defend in depth and bleed the Americans white Drawing extensively on personal interviews the Marine Corps History Division's vast oral history and photographic collection and many never before published sources this book gives us a new and harrowing vision of what really happened at Peleliu and what it meant Working closely with two of the 1st Regiment's battalion commanders Ray Davis and Russ Honsowetz Marine Corps veteran and military historian Dick Camp recreates the battle as it was experienced by the men and their officers Soldiers who survived the terrible slaughter recall the brutality of combat against an implacable foe they describe the legendary Chesty Puller leading his decimated regiment against enemy fortifications they tell of Davis wounded but refusing evacuation while his men were under fire and of a division commander who rejects Army reinforcements Most of all their richly detailed deeply moving story is one of desperate combat in the face of almost certain failure of valor among comrades joined against impossible odds Trapped Man Standing Wendy Meadows, 2021-05-27 If you love cozy mysteries with a sinister twist and plenty of scares then Patricia McKay's fun and thrilling adventures are for you There's a reason this town is deserted Torn away from her new assignment and sent to the creepy deserted town of Wounded Willows Patricia McKay finds herself alone and isolated in a remote corner of Arizona She falls in with a stranded family who are stuck waiting for someone to fix their broken car but there's someone else lurking in this town with them When they discover a dead body inside a dilapidated hotel Patricia's stay takes a darker turn Ambushed by a disturbing killer and taken captive with her new friends Patricia struggles to hatch an escape plan and rescue the family before the eerie town and its killer can claim more lives And when their killer mysteriously turns up dead a new much more sinister threat emerges one that will do anything to stop Patricia from leaving Will Patricia be able to escape Wounded Willows Or will this ghost town claim yet another victim Keywords travel writer mystery series cozy murder mysteries traveling amateur sleuth cozy mystery novels collection small town mystery mysteries women sleuths older sleuth mystery cosy mystery amateur sleuth traditional mystery mystery small town mystery female protagonist mystery murder mystery cozy mysteries female sleuth series female protagonist novel secret suspense mystery detective stories mystery romance books clean mystery romance suspense mystery suspense murder mystery with women mystery women books mystery romance cosy mystery book book to read and download **Technical Paper - Bureau of Mines** United States.
