Döblin-Handbuch Sabina Becker, 2016-03-14 Alfred Döblin hat die literarische Avantgarde des frühen 20. Jahrhunderts entscheidend mitgestaltet Das Handbuch stellt das Gesamtwerk dieses Anregers und Repräsentanten der Modernebewegungen vor und macht die thematische und stilistische Vielfalt seines Schreibens deutlich Die Romane Erzählungen und Dramen aber auch seine politische Publizistik und ästhetisch poetologischen Schriften werden in detaillierten Analysen unter Berücksichtigung der Entstehungs- und Wirkungsgeschichte wie auch des Zeitkulturs und literaturgeschichtlichen Kontextes behandelt *Alfred Döblin* Steffan Davies, Ernest Schonfield, 2009-10-28 Döblin's texts which range widely across contemporary discourses are paradigms of the encounter between literary and scientific modernity With their use of *Tatsachenphantasie* they explode conventional language seeking a new connection with the world of objects and things This volume reassesses and reevaluates the uniquely interdisciplinary quality of Döblin's interdiscursive factually inspired poetics by offering challenging new perspectives on key works The volume analyses not only some of Döblin's best known novels and stories but also neglected works including his early medical essays political journalism and autobiographical texts Other topics addressed are Döblin's engagement with German history his relation to medical discourse his topography of Berlin his aestheticisation of his own biography and his relation to other major writers

such as Heine Benn Brecht and Sebald With contributions in English and in German by scholars from Germany and the United Kingdom the volume presents insights into D blin that are of value to advanced researchers and to students alike

Leafstedt,1999-11-04 This is the first book length examination of Bart k s 1911 opera Duke Bluebeard s Castle one of the twentieth century s enduring operatic works Writing in an engaging style Leafstedt adopts an interdisciplinary approach to the opera by introducing in addition to music dramatic analysis a number of topics that are new to the field of Bart k studies These new areas of critical and scholarly terrain include a detailed literary study of the libretto and a gender focused analysis of the opera s female character Judith Leafstedt begins with a short introductory chapter that places Duke Bluebeard s Castle within the context of Bart k s early composing career his discovery of folk music and its impact on his later work The book goes on to explore the composition s troubled history its failure to win two early Hungarian opera competitions and the three versions of the ending that resulted discussed here in depth for the first time The core of the book is devoted to the musical and dramatic organization of the opera and offers an analysis of the seven individual door scenes including a detailed analysis of scene six the lake of tears scene illustrating the work s complex tonal organization and dramatic structure A

separate chapter places this darkly psychological version of the Bluebeard story within the broader context of European history and literature Throughout the book Leafstedt draws on original Hungarian source material much of it newly translated by the author and available here for the first time in English and he includes a generous selection of musical examples Inside Bluebeard's Castle is an ideal starting point for research in twentieth century music Hungarian cultural history and opera studies as well as an invaluable guide for anyone interested in Bartók's only opera **Macht, Text, Geschichte** Markus Heilmann, Thomas Wägenbaur, 1997 **Buchstäbliche Anatomien** Annette Keck, 2007
