*Hebrew Word Study* Chaim Bentorah,2014-06-25 Many Christians long to study the Word of God in the original Hebrew They will take Hebrew classes at a college a synagogue or online and often become discouraged because these classes either teach them to speak Hebrew or spend considerable time teaching complex rules of grammar when all these Christians want to do is find God's heart and message in His Word As a result these Christians usually give up and just go to the back of their Strong's Concordance a lexicon or a Bible dictionary to look up a word This book is written for the Christian who does not want to learn to speak Hebrew or spend long hours trying to understand complex rules of grammar All they want is to know if there is a deeper meaning to certain Hebrew words Even after looking up a word in their lexicon they are still left with a nagging feeling that there must be more In most cases there is more and this book will give some guidelines in how to drill down into the very heart soul and core of a Hebrew word it will take you to a world beyond your lexicon and you do not need a PhD to do it The only thing you will need is to love the Word of God and if you love it enough it will reveal its secrets Hebrew is a language of the heart and if you love God enough He will reveal His heart to you through the ancient Hebrew language

**Choosing Not Choosing** Sharon Cameron, 1992 Although Emily Dickinson copied and bound her poems into manuscript notebooks in the century since her death her poems have been read as single lyrics with little or no regard for the context she created for them in her fascicles *Choosing Not Choosing* is the first book length consideration of the poems in their manuscript context Sharon Cameron

demonstrates that to read the poems with attention to their placement in the fascicles is to observe scenes and subjects unfolding between and among poems rather than to think of them as isolated riddles enigmatic in both syntax and reference Thus Choosing Not Choosing illustrates that the contextual sense of Dickinson is not the canonical sense of Dickinson Considering the poems in the context of the fascicles Cameron argues that an essential refusal of choice pervades all aspects of Dickinson s poetry Because Dickinson never chose whether she wanted her poems read as single lyrics or in sequence nor is it clear where any fascicle text ends or even how in context a poem is bounded not choosing is a textual issue it is also a formal issue because Dickinson refused to chose among poetic variants it is a thematic issue and finally it is a philosophical one since what is produced by not choosing is a radical indifference to difference Extending the readings of Dickinson offered in her earlier book Lyric Time Cameron continues to enlarge our understanding of the work of this singular American poet

*Isotopography* Niels Wilde,2024-08-19 While the concept of place remains undertheorized in Kierkegaard research this study argues that place is at the center of Kierkegaard s thinking The first part of the book shows that Kierkegaard s notion of situatedness as being placed in a socio historical situation conditioned by a situation prior to situatedness points to a realist position and a flat ontology Secondly the book develops a detailed analysis of the ontological structure of the existential place the place we ourselves are and concrete places the places where we are Place opens a qualified space within bounds the existence sphere an atmosphere of elemental attunement and attuned elementality Finally the book collects the dots from part one and two in a topological realist approach to Kierkegaard s theology and three main definitions of God God is love God is that everything is possible and God is the middle term The book concludes that Kierkegaard s existential

topography reveals a realist position where we are is never exhausted by being the place where we are      Dark Alpha's Passion Donna Grant,2022-03-08 From New York Times bestselling author Donna Grant comes another gripping story in her Reaper series featuring a brotherhood of elite assassins who wage war on the Fae at Death s behest and the women who dare to love them There is no escaping a Reaper They are elite assassins part of a brotherhood that only answers to Death And when Death says a Fae s time is up they are who she sends The Fae Others think they have me in their grip but little do they know that I m working as a double agent My alliance now lies with the Reapers and Death and it is my mission and duty to destroy the malignant organization before their rot spreads Unfortunately a surprise splits my focus a more than welcome one I never thought to reunite with my lost true love And now that I have I must find a way to shelter her from the evil Six and convince my new friends that she s not a threat Admittedly there is some doubt How can there not be But I trust her And I haven t seen her held her kissed her for centuries I loved her then will love her always and will do whatever it takes to keep her by my side for as long as we have Her cunning and courage hold me captive and our passion knows no bounds If only the timing were better and the world safer      **Five Star Romance** Jacquelin Thomas,2013-02-19 Can what happens in Vegas Beverly Hills most irresistible bachelor hotel heir Blaze Alexander has always upheld his reputation until the night he marries a beautiful stranger in Vegas But then his passionate bride vanishes leaving Blaze with only tantalizing memories Fast forward two years Blaze has finally found his runaway bride again And this time he doesn t intend to let her get away lead to a lifetime of love Desperate to forget the morning she woke up beside a gorgeous mystery man Livi Carlyle flees without a word Now her husband a man she barely knows is back in her life seducing her with a passion that leaves her breathless When a frenzied media storm threatens to turn their secret marriage into tabloid headlines will Livi and Blaze transform their one night fling into a forever love      *Flames of Passion* Kayla Perrin,2014-12-16 Category African American Page 4 of cover
