Blazing The Way Or Pioneer Experiences In Idaho Washington And Oregon:

The Protestant Clergy in the Great Plains and Mountain West, 1865-1915 Ferenc Morton Szasz, 2004-01-01 The mainline Protestant churches played a vital role in the settlement of the West Yet historians have for the most part bypassed this theme This account recreates the unique religious and cultural mix that sets this region apart from the rest of the nation From itinerant circuit riders to powerful urban bishops western clergy were continually involved in the maturation of their communities Their duties on the frontier extended far beyond delivering Sunday sermons they also served as librarians counselors social workers educators booksellers peacekeepers and general purveyors of culture Weaving together the varied experiences of men and women from the five major Protestant denominations Baptist Methodist Presbyterian Congregational and Episcopal the author discusses their responses to life on the frontier the violence the tumultuous growth of the cities the isolation of farm life and the widespread hunger especially among women for refinement *Blazing the Way* Wilmot Woodruff Van Dusen, 1905 **Blazing the Way** Wilmot Woodruff Van Dusen, 1905 *Blazing the Way* W. W. Van Dusen, 2017-12-25 Excerpt from *Blazing the Way Or Pioneer Experiences in Idaho Washington and Oregon* The purpose of this book is twofold First to show clearly from the experience of the writer that the demands for pioneer work in the Church have not yet ceased to exist second to present a faithful and true picture of the physical and moral conditions of the country described Concerning each of these matters there is much confusion of mind among some people Those who live in the older sections of our country find it difficult to comprehend the situation where the people are so widely scattered as they are in the Rocky Mountain States and Territories This book sets forth what the writer has seen together with some facts which he can vouch for as if he had seen them It is certainly much more to be trusted than the ordinary real estate circular or the prospectus of the mine promoter The writer has no motive in presenting a view other than is borne out by facts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Blazing The Way** Wilmot Woodruff Van Dusen, 2019-04-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the
