Myers, 2017 This book examines ancient generative theories physiological understandings of breast milk and presentations of prominent mothers to analyze these themes in the New Testament and several early Christian writings Identifying themselves as members of God's household ancient Christians utilized motherhood as a theological category and a contested ideal for women disciples **A Nurse to the Sick Body of Christ** Rose A. Ingutia, 2006-04-01 Worship in spirit and in truth has to be based on God's Word that regulates us on how we must worship Him The foundation of the regulative principle of worship is found in the first two commandments Self styled worship is unacceptable to God regardless of the good intentions Worship based on the traditions of men which were inspired by Satan are used as a sword and a shield against the truth In doing this they successfully execute that very purpose which Satan intends them to that of a false and perverse worship shielded by obstinacy A top priority in choosing a church to become a member should be based on no other criteria than that of a church that has its form of worship based on biblical principals **Reasoning from the Scriptures with Catholics** Ron Rhodes, 2000-01-01 Anyone interested in sharing the gospel with Catholic friends or understanding where members of that denomination stand on important points of theology will appreciate this thorough yet easy to use reference Using the simple step by step format applauded by readers in Rhodes previous books Reasoning from the Scriptures with Catholics covers many theological issues that divide Protestants and Catholics including purgatory and indulgences the reverence of Mary mother of Jesus papal infallibility Catholic traditions and much more Each chapter examines a single Catholic belief or practice as taught in the Catholic Catechism and other major Catholic sources provides biblical responses and offers questions to help Catholics examine their church's readings Pastors teachers and lay leaders will find this insightful guide a must have tool for sharing the good news of salvation by faith alone with Catholic friends and family members **Glory to the Newborn King** Dr. D. Lance Waldie, 2013-11-12 The Christmas story in the Bible is a beautiful account of the birth of the Messiah Jesus Christ of Nazareth He was born in obscurity in a little town named Bethlehem a Hebrew term that means house of bread And how ironic for this man was the Bread of Life and all who come to Him will never hunger and will never thirst John 6:35 That is why the story of Christmas the birth of the Messiah is so important Since Jesus is the reason for the season let us make sure we understand completely who He is For who Christ is to us determines who we are both in this world and in eternity

Mothering, God, and the Mothering God V. Jean Thomas,2025-09-05 Mothers today face unprecedented pressure as contemporary American society feeds into the culture of intensive mothering leading many to be consumed by their role as mothers Many grapple with additional expectations stemming from the teachings of today s evangelical church Rather than serving as a countercultural influence encouraging women to cultivate their primary identity in Christ women often receive the message that to be a good Christian they need to make mothering their top priority The effects of this ideology impact not only women who are mothers but also the church and society at large How does Scripture inform this conversation including both biblical mothers and references to God as Mother Which biblical and historical mothers have been celebrated why and how do they stack up with today s expectations How can mothers today simultaneously follow God and faithfully fulfill their roles as mothers and how can the church support this endeavor This book seeks to reset mothering expectations for the church today by examining examples and expectations of mothers as depicted by Scripture and church history namely the expectation to locate primary identity in Christ

Following Zwingli Luca Baschera,Bruce Gordon,2016-04-15 Following Zwingli explores history scholarship and memory in Reformation Zurich The humanist culture of this city was shaped by a remarkable sodality of scholars many of whom had been associated with Erasmus In creating a new Christian order Zwingli and his colleagues sought biblical historical literary and political models to shape and defend their radical reforms After Zwingli s sudden death the next generation was committed to the institutional and intellectual establishment of the Reformation through ongoing dialogue with the past The essays of this volume examine the immediacy of antiquity early Christianity and the Middle Ages for the Zurich reformers Their reading and appropriation of history was no mere rhetorical exercise or polemical defence The Bible theology church institutions pedagogy and humanist scholarship were the lifeblood of the Reformation But their appropriation depended on the interplay of past ideals with the pressing demands of a sixteenth century reform movement troubled by internal dissention and constantly under attack This book focuses on Zwingli s successors and on their interpretations of the recent and distant past the choices they made and why How those pasts spoke to the present and how they were heard tell us a great deal not only about the distinctive nature of Zurich and Zwinglianism but also about locality history and religious change in the European Reformation

The Mystery of Mary Paul Haffner,2004 In this book Haffner offers a clear and structured overview of theology and doctrine concerning Mary set in a historical perspective He outlines the basic scheme of what constitutes

Mariology set in the context of other forms of theological enquiry and working through the contribution of Holy Scripture he proceeds to examine each of the fundamental doctrines that the Church teaches about Our Lady From the Immaculate Conception to Mary's continuing Motherhood in the Church as Mediatrix of all graces the reader will find here a sure and steady guide faithful to tradition and offering a realist perspective not reducing the concrete aspects of Mary's gifts and privileges to mere symbols on the one hand and not confusing doctrine and devotionism on the other Musings on Doctrine John C' de Baca,2014-03 Have you ever wondered about the security of salvation your own or perhaps that of someone you know Do you sometimes worry about not going to hell and what about babies Do they get a free pass to Heaven and where did evil come from anyway Why Is Eve really to blame for all the world's troubles Do the Ten Commandments apply to everyone In marriage do wives really have to be in subjection to their husbands and are you concerned about how this world is headed What does the Bible really say about events like the rapture the great tribulation the mark of the beast the abomination of desolation and those other scary things There's no need to wonder any longer Here are the answers and more from God's Word easy to understand but profound and right on target But be aware that some of your long held beliefs will be thrown rudely to the ground the author tells it like it is not like what you thought it was If you are sincere about finding the truth it will help you find it If you can't handle the truth it may anger and frustrate you Either way you won't ever be the same **London Quarterly Review** ,1876 **Have You Met These Women?** Harold John Ockenga,2019-02-27 Ten Sermons on Women in the Bible For the third published book of his early career Harold John Ockenga chose to focus on a series of biographical sermons on women in the Bible that he had preached on Sunday evenings at Boston's Park Street Church Although the series continued for several months ten of the sermons were selected for inclusion in this volume The identity of these women was not revealed until each sermon was preached as we learn from the book's foreword to help stimulate curiosity and a sense of anticipation Keen interest in Bible study we are told was sustained through the entire series *Blessed Among Women* Gregory Scott Sparrow,1997 Written by a Jungian therapist popular lecturer and author of spiritual books *Blessed Among Women* is the first popular book to collect Marian encounters and discuss their psychological and emotional meanings and lessons for those who have seen Mary and those who have not God With Us Gary Gallant,2022-01-27 Christian Classics Reproductions have more ebooks available at www.payhub.com ChristianClassicsReproductions For the sake of English readers the past tense is used for the Aorist tense for the Greek Grammar Old Testament quotations are from Authorized Version and New Testament quotations are from Grammar Uses Version from this same author Grammar Uses Version is a translation from 30 years of dedication The source of this translation is from BYZ Majority Text A better understanding of the typing skills to highlight the grammar nuances the underline is to show the main thought of the writer The bold is to show the first word in the sentence for emphasis The italics are to show word or words that are not in the Greek text but added for better reading The word or words in bracket are

Litwak,2005-03-07 Litwak challenges previous studies of the use of the Old Testament in Luke Acts as inadequate In contrast to previous studies that consider only quotations or obvious allusions he examines intertextual echoes of the Old Testament at strategic points in Luke Acts as well as quotations and allusions and echoed traditions Thus this study s database is larger Previous studies generally argue that Luke s use of the Scriptures is in the service of christology This leads to the exclusion of scriptural citations such as those of the temptation Luke 4 1 13 which have different emphases Litwak views ecclesiology as the overall purpose behind Luke s use of the Old Testament but he does not skip or avoid intertextual references that may lie outside an ecclesiological function Whilst other studies contend that Luke uses the Old Testament according to a promise fulfillment proof form prophecy hermeneutic Litwak argues that this fails to account for many of the intertextual references Other studies often subsume all of Luke s use of the Scriptures of Israel under one theme such as the New Exodus but this study does not require that every intertextual echo maps to a specific theme Rather the many intertextual references in strategic texts at the beginning middle and end of Luke Acts and Luke s use of the texts are allowed to dictate the themes to which they relate JSNTS 282 *Lectures for the Times; Or, An Exposition of Tridentine and Tractarian Popery* John Cumming,1845
