Blennerville Gateway To Tralees Past:

Blennerville, Gateway to Tralee's Past Liem et. al Kelly,1989 **Blennerville** Liam Kelly,Geraldine Lucid,Maria O'Sullivan,1989 The Great Famine in Tralee and North Kerry Bryan MacMahon,2017-06-12 Bryan MacMahon focuses on human stories rather than statistics as he depicts the unprecedented events upheavals and challenges of the famine years through the eyes of those who were there and reveals information which has lain hidden and untapped for 170 years This book gives an account of incidents in Tralee and North Kerry It gives a detailed overview and a moving insight into the suffering endured by thousands in the area The contemporary accounts allow the reader to relive the shocking events and to understand the stark dilemmas faced by those who were not themselves directly affected by hunger or disease Here too are the names and inquest details of some of the dead and poignant descriptions of life in the workhouses of Tralee and Listowel Included are stories of scandals and possible sexual abuse in the workhouse but also many examples of selfless humanitarian work *The Famine Plot* Tim Pat Coogan,2025-09-23 During a Biblical seven years in the middle of the nineteenth century Ireland experienced the worst disaster a nation could suffer Fully a quarter of its citizens either perished from starvation or emigrated with so many dying en route that it was said you can walk dry shod to America on their bodies In this grand sweeping narrative Ireland s best known historian Tim Pat Coogan gives a fresh and comprehensive account of one of the darkest chapters in world history arguing that Britain was in large part responsible for the extent of the national tragedy and in fact engineered the food shortage in one of the earliest cases of ethnic cleansing So strong was anti Irish sentiment in the mainland that the English parliament referred to the famine as God s lesson Drawing on recently uncovered sources and with the sharp eye of a seasoned historian Coogan delivers fresh insights into the famine s causes recounts its unspeakable events and delves into the legacy of the famine mentality that followed immigrants across the Atlantic to the shores of the United States and had lasting effects on the population left behind This is a broad magisterial history of a tragedy that shook the nineteenth century and still impacts the worldwide Irish diaspora of nearly 80 million people today Peasant Maids, City Women Christiane Harzig,2018-09-05 From the 1850s to the 1920s women were 30 to 40 percent of all immigrants to the United States and their migration experiences were shaped by similar social economic demographic and cultural forces In *Peasant Maids City Women* a truly intercultural project a team of historians follows several groups of women from rural Europe to the bustling streets of Chicago Focusing on Germans Irish Swedes and Poles the four largest foreign born ethnic groups in the city around 1900 the authors analyze the origins of the immigrants and chart how their lives changed and explore how immigrant women shaped the urbanization process creating vibrant public spheres for ethnic expression In concise social histories of four European rural cultures the authors emphasize the crucial effects of gender They explore the contrast between each regional culture of origin and the urban experience of ethnic communities in Chicago The concept of assimilation they suggest involves two different dynamics In the initial phase adaptation the new environment demands

major changes of incoming immigrants to meet basic needs The second dynamic acculturation involves changes for immigrants and also for the new culture with which they interact **All Standing** Kathryn Miles,2013-01-08 **All Standing** The Remarkable Story of the Jeanie Johnston the Legendary Irish Famine Ship recounts the journeys of this famous ship her heroic crew and the immigrants who were ferried between Ireland and North America Spurred by a complex web of motivations shame familial obligation and sometimes even greed more than a million people attempted to flee the Irish famine More than one hundred thousand of them would die aboard one of the five thousand aptly named coffin ships But in the face of horrific losses a small ship named the Jeanie Johnston never lost a passenger Shipwright John Munn community leader Nicholas Donovan Captain James Attridge Dr Richard Blennerhassett and the efforts of a remarkable crew allowed thousands of people to find safety and fortune throughout the United States and Canada Why did these individuals succeed when so many others failed What prompted them to act when so many people preferred to do nothing or worse Using newspaper accounts rare archival documents and her own experience sailing as an apprentice aboard the recently re created Jeanie Johnston Kathryn Miles tells the story of these extraordinary people and the revolutionary milieu in which they set sail The tale of each individual is remarkable in and of itself read collectively their stories paint a unique portrait of bravery in the face of a new world order Theirs is a story of ingenuity and even defiance one that recounts a struggle to succeed to shake the mantle of oppression and guilt to endure in the face of unimaginable hardship On more than one occasion stewards of the ship would be accused of acting out of self interest or greed Nevertheless what these men and their ship accomplished over the course of eleven voyages to North America was the stuff of legend Interwoven in their tale is the story of Nicholas Reilly a baby boy born on the ship s maiden voyage The Reilly family climbed aboard the Jeanie Johnston in search of the American Dream While they would find some version of that dream it would not be without a struggle one that would deposit Nicholas into a deeply controversial moment in American history Against this backdrop Miles weaves a thrilling intimate narrative chronicling the birth of a remarkable Irish American family in the face of one of the planet s greatest human rights atrocities

Making Our Way Walter T. K. Nugent,2003 James Nugent married Agnes Bell in Ireland in about 1824 They had six known children They emigrated and settled in Ontario Descendants and relatives lived mainly in New York Ontario and Quebec **Tracing Your Irish Ancestors 5th Edition** John Grenham,2020-03-27 With online access to records making it easy for most people of Irish origin to trace their family background there has never been a better time to research your Irish family history This guide contains everything you need to know to speed up the process making sense of the deluge of online material and guiding you towards records and methods you may not have known existed This 5th edition of John Grenham s bestselling and seminal text is expanded updated and indexed to make it easier to use than ever before As well as guides to new developments online and in DNA testing find out where to start if you re a beginner and to how to access and understand registry office records census records church and property records and county by county source lists It is an

essential part of any Irish family history project John Grenham has written a multi purpose book which can be used by the absolute beginner the keen amateur and the more experienced genealogist *The Irish Times Writings on Irish History* ,1989 **In Search of Fame and Fortune** Brendan O'Donoghue,2006 A meticulous reconstruction of the careers of an Irish Catholic professional family who worked as cartographers builders engineers and valuers in Ireland between 1840 and 1847 and afterwards in South Africa Turkey Trinidad and Jamaica Includes Appendix of some correspondence of Archbishop Leahy 1855 1860 *O'Lochlainns Personal Journal of Irish Families* ,1990 *Memories of Old Tralee by Miss A M Rowan* J Murphy,2016-10-23 Reproduction of Miss A M Rowan s memoir of Tralee first published in the nineteenth century with introduction and footnotes **Boats & Shipwrecks of Ireland** Colin Breen,Wes Forsythe,2004 A history of the boats and shipwrecks of Ireland *The New England Historical and Genealogical Register* ,1990 *Where God Hides* Liam Lawton,2012-09-03 It is in great simplicity that great beauty is revealed and only then may we discover where God truly hides In this moving exploration of the path to understanding God s presence Liam Lawton considers how we bring spiritual awakening and consolation into our lives in every circumstance Taking inspiration from the gentle age old wisdom of the Book of Ecclesiastes There is a time for everything and a season for everything under the sun he begins his journey of reflection and contemplation Over its course Liam shares remarkable stories of God s revelation in ordinary human life and of the people and events that have touched him during his years of ministry along with fascinating perspectives on his own spiritual awakening These pages reveal a God who does not intrude upon human living but rather is available to enter into the very depth of it and become present to those who wish for eyes to see and ears to hear Here are stories of pain and beauty challenge and consolation but above all inspiration *Irish Publishing Record* ,1990 **Ireland Travel 101** Patricia Preston,2009-04-25 Ireland Travel 101 The travel Bible for the Emerald Isle East South West and North Brimming with must do experiences and off the beaten path adventures this book zeros in on how to find the real Ireland the places that are high on the travel radar for a great Irish vacation The fast flowing chapters present the wow factors sightseeing highlights time and tactics needed to explore hospitable hotels recommended restaurants and cafes noteworthy pubs specialty shops and craft centers local markets useful tidbits and trivia nearby digressions and hundreds of helpful web site addresses All of this information is capped by suggested day to day itineraries that you can use for your own special route Author Patricia Preston has been there and done that all over Ireland and she is happy to share her insider s tips with you And if you still have questions just go to Pat s web site www.IrelandExpert.com and you ll have your answer within 24 hours For memorable travels and quite a few surprises too Ireland Travel 101 is the right book for you **The British National Bibliography** Arthur James Wells,1968 **The Mariner's Mirror Bibliography for ...** ,1990 *Travel Junkies One Part 2* Henry Intili,
