Bless Us All A Childs Yearbook Of Blessings:

Bless Us All Cynthia Rylant, 2001 A collection of twelve bedtime blessings one for each month of the year **Fostering Children's Faith** Jeanne Hall, 2012-03-29 Fostering faith in children is a shared privilege and responsibility of parents godparents and the church community We promise our children at baptism that we will support them in their faith formation in the formation of their relationship with God We need to take this promise seriously This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children s faith This book succinctly explores many ways we can support children s faith formation including our day to day interactions with children the images of God we share with them how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children s relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us **CliffsNotes 1990s**
