Roome, 1898      **Literature and Humanitarian Reform in the Civil War Era** Gregory Eiselein, 1996-12-22 this volume presents a reasonable fresh and well researched reading of several key texts in American studies Journal of the American Studies Association of Texas During the Civil War a crisis erupted in philanthropy that dramatically changed humanitarian theories and demanded new approaches to humanitarian work Certain writer activists began to advocate an eccentric benevolence a type of philanthropy that would undo the distinction between the powerful bestowers of benevolence and the weaker folks who receive it Among the figures discussed are the anti philanthropic Henry David Thoreau and the dangerously philanthropic John Brown      *The Complete Works of C. H. Spurgeon, Volume 39* Spurgeon, Charles H., Volume 39 Sermons 2289 2341 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the

preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon     The memoirs of Walter Pringle, ed. by W. Wood, with notes and an appendix Walter Pringle,1847     *Whose Love of Which Country?* Balázs Trencsényi,Márton Zászkaliczky,2010 The volume stemming from the long term cooperation of scholars working on East Central European intellectual history discusses the patterns of patriotic and national identification in the light of the multiplicity of levels of ethnic cultural and political allegiances characterizing this region in the early modern period     *The Dubious Case of a Failed Coup* Feride Çiçekoğlu,Ömer Turan,2018-09-18 This volume is an attempt to contextualise the coup attempt of 15 July 2016 in Turkey within the framework of militarism and masculinities The immediate aftermath of the 15 July in Turkey witnessed confusion contestation and negotiation among different narratives until a hegemonic version was superimposed on the collective memory as part of official history building This project is an attempt to bring a fresh and critical perspective by compiling together analyses from various disciplines of political science media and film studies literature sociology and cultural studies Several chapters of this volume delineate the paradox of victorious militarism meaning that despite the failure of the coup its aftermath has been shaped by a new wave of state sponsored gendered militarism with the establishment of a regime of state of emergency     *Aztec and Maya Apocalypses* Mark Z. Christensen,2022-07-14 The Second Coming of Christ the resurrection of the dead the Final Judgment the Apocalypse is central to Christianity and has evolved throughout Christianity s long history Thus when ecclesiastics brought the Apocalypse to Indigenous audiences in the Americas both groups adapted it further reflecting new political and social circumstances The religious texts in Aztec and Maya Apocalypses many translated for the first time provide an intriguing picture of this process revealing the influence of European Aztec and Maya worldviews on portrayals of Doomsday by Spanish priests and Indigenous authors alike The Apocalypse and Christian eschatology played an important role in the conversion of the Indigenous population and often appeared in the texts and sermons composed for their consumption Through these writings from the sixteenth to the early nineteenth century priests official texts and Indigenous authors rendering of them Mark Z Christensen traces Maya and Nahua influences both stylistic and substantive while documenting how extensively Old World content and meaning were absorbed into Indigenous texts Visions of world endings and

beginnings were not new to the Indigenous cultures of America Christensen shows how and why certain formulations such as the Fifteen Signs of Doomsday found receptive audiences among the Maya and the Aztec with religious ramifications extending to the present day These translated texts provide the opportunity to see firsthand the negotiations that ecclesiastics and Indigenous people engaged in when composing their eschatological treatises With their insights into how various ecclesiastics Nahuas and Mayas preached and even understood Catholicism they offer a uniquely detailed deeply informed perspective on the process of forming colonial religion
