Blessed With Sin

Paul K. Moser, Benjamin Nasmith

Blessed With Sin:

If Adam Had Not Sinned Justus H. Hunter, 2020-03-06 Since the twelfth century theologians have found a counterfactual question irresistible If Adam had not sinned would the Son have become incarnate In the latter half of the twentieth century Hans Urs von Balthasar Hans K ng Gerhard Ludwig M ller Karl Rahner Karl Barth Wolfhart Pannenburg J rgen Moltmann and Robert Jenson all considered this question on the reason or motive for the incarnation Nearly every case refers to the classic disagreement between those who follow Thomas Aquinas and those who follow John Duns Scotus Though it is common to claim Thomas or Scotus as one s authority the theological debates among which Thomas and Scotus developed their own positions remain largely neglected This study fills that gap If Adam Had Not Sinned is a study of the medieval debates over the motive for the incarnation from Anselm of Canterbury to John Duns Scotus While the volume is primarily focused on thirteenth century debates at the University of Paris it also supplies necessary historical background to those debates As a result the larger context within which Thomas Aquinas and John Duns Scotus developed their influential responses is detailed This larger context permits an analysis that leads to the surprising claim against widespread assumptions that the responses given by Thomas and Scotus are substantially reconcilable

Bloodline for the Messiah A. M. Deigloriam, 2019-09-19 This book provides a detailed analysis of the Messiah s bloodline that reveals many important concepts related to the human condition of mankind The analysis expands our understanding of the scope of God s love for all of mankind The bloodline includes God s patriarchs many godly kings many women who were gentiles and men who were evil The Messiah s bloodline reflects a cross section of mankind and fulfills Old Testament prophecies The bloodline is the introduction to God s only Son Jesus and his life death and resurrection God loves and communes with his creation on a daily basis The only possible way for God to continue his relationship with man beyond death was to send his only Son to act as an escape for the penalty of sin At no time has the bloodline of the Messiah been more important than now The worship of idols and the new paganism of today are very dangerous and extremely contagious to all of mankind 1 Peter 2 9 reads But ye are a chosen generation a royal priesthood a holy nation a peculiar people that ye should show forth the praises of him who hath called you out of darkness into his marvelous light
