Fenelon,2012-06-05 A blue star for each family member serving in Americas military a gold star if that life was lost in defense of the nations freedom IN WORLD WAR I the American tradition of the service flag began Families displayed a simple fabric banner with a blue star for each family member serving in the U S Armed Forces If a family member died in the nations service a gold star covered that individuals blue star on the family service flag Not a symbol of mourning the gold star represented the familys pride and the honor and glory accorded to that individual for making the supreme sacrifice in defense of the Americas freedom Soon the term gold star mother came to be used to identify and honor women who had lost a son or daughter in wartime military service Following the war as the nation focused its attention on those veterans who had returned whole in mind and body gold star mothers served as a constant reminder of the true cost of war In 1928 a group of these women formed American Gold Star Mothers Inc an organization created to honor those who had died by being of service to veterans and their families in need supporting gold star families and caring for veterans who had returned with physical emotional and psychological wounds From that humble beginning American Gold Star Mothers Inc has become an icon of national service opening its membership time and again to gold star mothers of later wars and conflicts including Iraq and Afghanistan Their amazing legacy of service is an important yet largely unknown chapter in American history This book presents the story of gold star mothers in America and the first comprehensive history of American Gold Star Mothers Inc drawn from nearly a century of archival materials The fascinating story of the strong women who honored their fallen sons and daughters by dedicating themselves to the service of veterans and peace is both compelling and inspiring B-17 Groups of the Eighth Air Force Martin W. Bowman,2022-08-09 Martin Bowman s considerable experience as a military historian has spanned over forty years during which time he has amassed a wealth of material on the participation by RAF and Commonwealth and US 8th and 15th Air Force crews in the series of raids on the cities and oil transportation and industrial targets in the Third Reich culminating in Round the Clock bombing by the RAF operating at night on the largely forgotten Stirling the gamely Halifax and ultimately the more successful Lancaster and the US 8th Air Force B 17 Flying Fortress and B 24 Liberator crews by day on a target list so long and wide ranging that it defies the imagination Hundreds of hours of painstaking and fact finding research and interviews and correspondence with numerous airmen and women and their relatives in Britain America and beyond has been woven into a highly readable and emotional outpouring of life and death in combat over the Third Reich as the men of the RAF and Commonwealth and American air

forces describe in their own words the compelling gripping and thought provoking narrative of the Combined Bomber Offensive in World War Two which resulted from the RAF nocturnal onslaught and the American unescorted precision attacks on targets throughout the Reich until the P 51 Mustang escort fighters enabled the 8th to assume the mantle of the leading bombing partner in theatre February and March 1945 saw the most intense bombing destruction when Nazi defences were minimal or absent and the war was all but over Final victory in May 1945 came at a high price indeed Half of the U S Army Air Forces casualties in World War II were suffered by Eighth Air Force with in excess of 47 000 casualties with more than 26 000 dead RAF Bomber Command lost 55 573 men killed out of a total of 125 000 aircrew and 8 403 wounded in action while 9 838 became prisoners of war RAF and American bomber crews could therefore be forgiven for thinking they had won a pyrrhic victory one that had taken such a heavy toll that negated any true sense of achievement though if nothing else the human effort spent by RAF Bomber Command and the Eighth Air Force did pave the way for the Soviet victory in the east
