Don Presnell

Bonanza Enter Mark Twain:

A Reference Guide to Television's Bonanza Bruce R. Leiby, Linda F. Leiby, 2015-09-15 Bonanza aired on NBC from September 12 1959 to January 16 1973 playing to 480 000 000 viewers in over 97 countries It was the second longest running western series surpassed only by Gunsmoke and continues to provide wholesome entertainment to old and new fans via syndication This book provides an in depth chronicle of the series and its stars A history of the show from its inception to the current made for television movies is provided and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them the dates they stayed with the show date and time of original broadcast writer director producer executive producer and supporting cast Also provided are character sketches for each of the major recurring characters career biographies of Lorne Green Pernell Roberts Dan Blocker and Michael Landon brief biographical sketches of the supporting cast a discography of recordings of the Bonanza theme and recordings of the four major stars and information on Bonanza television movies

Wandering The Wild Wild West Don Presnell, 2021-11-22 The Wild Wild West premiered on CBS in 1965 just as network dominance of television Westerns was waning and the global James Bond phenomenon was in full force Described as James Bond on horseback the series was like nothing else on TV before or since a genre hybrid that followed the adventures of 1870s Secret Service agents James West and Artemus Gordon on special assignment from President Ulysses S Grant The show featured clever gadgets and costumes carefully choreographed action and fight sequences and stories that melded elements of Western science fiction fantasy espionage and detective genres This book provides in depth critical analysis of this unique eclectic series considered one of the primary influences on Steampunk subculture

The Bonanza King Gregory Crouch, 2019-06-04 A monumentally researched biography of one of the nineteenth century s wealthiest self made Americans Well written and worthwhile The Wall Street Journal it s the rags to riches frontier tale of an Irish immigrant who outwits outworks and outmaneuvers thousands of rivals to take control of Nevada s Comstock Lode Born in 1831 John W Mackay was a penniless Irish immigrant who came of age in New York City went to California during the Gold Rush and mined without much luck for eight years When he heard of riches found on the other side of the Sierra Nevada Mountains in 1859 Mackay abandoned his claim and walked a hundred miles to the Comstock Lode in Nevada Over the course of the next dozen years Mackay worked his way up from nothing thwarting the pernicious Bank Ring monopoly to seize control of the most concentrated cache of precious metals ever found on earth the legendary Big Bonanza a stupendously rich body of gold and silver ore discovered 1 500 feet beneath the streets of Virginia City the ultimate Old West boomtown But for the ore to be worth anything it had to be found claimed and successfully extracted each step requiring enormous risk and the creation of an entirely new industry Now Gregory Crouch tells Mackay s amazing story how he extracted the ore from deep underground and used his vast mining fortune to crush the transatlantic telegraph monopoly of the notorious Jay Gould No one does a better job than Crouch when

he explores the subject of mining and no one does a better job than he when he describes the hardscrabble lives of miners
 San Francisco Chronicle Featuring great period photographs and maps The Bonanza King is a dazzling tour de force a
 riveting history of Virginia City Nevada the Comstock Lode and America itself **Mark Twain** Ron Powers,2008-09-04
 Twain's story is epic comic and tragic To retrace it all in illuminating detail Powers draws on the tens of thousands of Twain's
 letters and on his astonishing journal entries many of which are quoted here for the first time Twain left Missouri for a life on
 the Mississippi during the golden age of steamboats enjoyed an uproariously drunken newspaper career in the Nevada of the
 Wild West and witnessed and joined the extremes of wealth and poverty of New York City and of the Gilded Age Through it
 all he observed borrowed stole and combined the characters he met into the voice of America's greatest literature attracting
 throngs of fans wherever his undying lust for wandering took him From Twain's wicked satire to his relationships with the
 likes of Ulysses Grant this is a brilliantly written story that astounds amuses and edifies as only a great life can **Mark**
Twain's Letters, Volume 1 Mark Twain,2023-12-22 **Critical Companion to Mark Twain** R. Kent
 Rasmussen,2014-05-14 Praise for the previous edition RASD ALA Outstanding Reference Source 1996 Essential is the word
 for it *Who Shot the Sheriff?* J. Fred MacDonald,1987 This intriguing book is a study of the rise and fall of an American
 genre of entertainment and communication whose symbols and rhetoric helped define American society for decades
 Flourishing in the 1950s and 1960s the television Western has deteriorated to the point where it is now irrelevant and
 meaningless Tracing the evolution of the Western from the late 1940s to the 1980s the author ties the genre to the political
 innocence and confidence of the Cold War years and suggests that the social reevaluations that began in the 1960s
 undermined the believability of Westerns and their entertainment value Seeking to understand the demise of the TV Western
 the book offers an analysis of the interrelationships between popular culture television and sociopolitical development in the
 United States during the past four decades All Hands ,1961 **Western and Frontier Film and Television Credits**
1903-1995 Harris M. Lentz,1996 Bowker's Complete Video Directory, 1999 ,1999 **Virginia City vs Bonanza**
 Monette Bebow-Reinhard,2024-05-21 A fun and informative exploration of how the classic television series Bonanza differs
 from the reality of Virginia City Nevada In 1959 one hundred years after the big bonanza silver strike in Virginia City the
 classic television series Bonanza made its debut and brought the small Nevada city to the forefront of households around the
 country and into many parts of the world The richest city in the world at the time of the Comstock Lode Virginia City today
 might well be a ghost town if not for the fame spurred by Bonanza The show was so popular that it went on to air for thirteen
 years and even spawned a theme park Historical accuracy was of great import to Bonanza's creator but as the series evolved
 it took on a life of its own beyond the boundaries of real life Virginia City In Virginia City vs Bonanza A Tale of Merging
 Histories Monette Bebow Reinhard explores select history from the show's legendary storylines and compares it to the real
 history of nineteenth century Virginia City Readers will learn why gambling is so prominent in Nevada how Virginia City was

not necessarily developed as a cattle town and much more ultimately understanding how and where Bonanza got its history right Through her analysis of history versus fiction Bebow Reinhard emphasizes the impact television had on shaping how we remember the Old West From the beginnings on Sun Mountain to the new technology created for Virginia City s mines to keep up with the demands of the labor force hungry for more wealth Virginia City vs Bonanza examines the politics the environmental damage and the social and cultural settings that made Virginia City unique Readers will witness it all silver s inevitable collapse the advent of tourism the natives the diversity the violence and today the fun A must read for fans of television and history alike
