Bonds Of Love Psychoanalysis Feminism And The Problem Of Domination:

The Bonds of Love Jessica Benjamin, 2013-05-01 Why do people submit to authority and derive pleasure even others have over them What is the appeal of domination and submission and why are they so prevalent in erotic life Why is it so difficult for men and women to meet as equals Why indeed do they continue to recapitulate the positions of master and slave In *The Bonds of Love* noted feminist theorist and psychoanalyst Jessica Benjamin explains why we accept and perpetuate relationships of domination and submission She reveals that domination is a complex psychological process which ensnares both parties in bonds of complicity and shows how it underlies our family life our social institutions and especially our sexual relations in spite of our conscious commitment to equality and freedom

Black Folk aimed at demonstrating its organic unity and coherence He takes as his interpretive key the experience of the color line with which Du Bois s narrative begins the incident from his youth in which a white girl refused his offer of a visiting card Wolfenstein contends that this instance of misrecognition makes visible an aesthetic and affective configuration involving insult and injury both racial and personal anger as the immediate response to the humiliating wound and when that anger is suppressed a melancholy retreat from the site of injury As Wolfenstein reconstructs it Souls tells the story of Du Bois s twofold approach to waging the battle for recognition proud and disciplined resistance to the impositions and injustices of white supremacy and the development of an intellectual station above the field of battle where it could be surveyed from on high With its serious and respectful approach to this canonical work in African American social theory A Gift of the Spirit is a fitting tribute to the enduring relevance of Du Bois s singular achievement
