Bonhoeffer Speaks Today Following Jesus At All Costs:

The Battle for Bonhoeffer Stephen R. Haynes, 2018-09-13 The figure of Dietrich Bonhoeffer 1906-1945 has become a clay puppet in modern American politics Secular radical liberal and evangelical interpreters variously shape and mold the martyr's legacy to suit their own pet agendas Stephen Haynes offers an incisive and clarifying perspective A recognized Bonhoeffer expert Haynes examines populist readings of Bonhoeffer including the acclaimed biography by Eric Metaxas *Bonhoeffer Pastor Martyr Prophet Spy* In his analysis Haynes treats among other things the November 2016 election of Donald Trump and the Bonhoeffer moment announced by evangelicals in response to the US Supreme Court's 2015 decision to legalize same sex marriage *The Battle for Bonhoeffer* includes an open letter from Haynes pointedly addressing Christians who still support Trump Bonhoeffer's legacy matters Haynes redeems the life and the man

Bonhoeffer Petra Brown, 2019-01-04 Theologian Conspirator Martyr Saint Dietrich Bonhoeffer was killed in the waning days of World War II having been implicated in the July 20th assassination attempt on Hitler Since his death Bonhoeffer's life and writings have inspired contradictory responses He is often seen as a model for Christian pacifist resistance and more recently for violent direct political action Bonhoeffer's name has been invoked by violent anti-abortion protestors as well as political leaders calling for support on a war on terror in the aftermath of 9/11 Petra Brown critically analyses Bonhoeffer's writing preceding and during his conspiracy involvement particularly his recurring concept of the extraordinary Brown examines this idea in light of the state of exception a concept coined by the one-time Nazi jurist and political theorist Carl Schmitt She also draws on the existentialist philosopher Søren Kierkegaard to consider what happens when discipleship is understood as obedience to a divine command This book aims to complicate an unreflective admiration of Bonhoeffer's decision for conspiracy and draws attention to the potentially dangerous implications of his emerging political theology

Peace and Violence in the Ethics of Dietrich Bonhoeffer Trey Palmisano, 2016-01-01 Not many theologians have had as great an impact on the study of peace and violence as Dietrich Bonhoeffer who was labeled an Enemy of the State and eventually executed in April 1945 In this book Trey Palmisano examines the theological connection between peace and violence across a range of Bonhoeffer's writings sermons and letters Despite the challenges Bonhoeffer experienced in his personal life and in the life of his country Palmisano asserts that a strong consistency emerges in Bonhoeffer's approach to ethics that resonates in the positing of Christ as the center of all ethical discourse and orients one to the ever-present challenges of a changing world Palmisano creates distance from former studies that sought to define Bonhoeffer as a committed pacifist a situational pacifist or one who compromised his values to accommodate an exception for violence By prioritizing methodology as the key to interpreting Bonhoeffer's thought Palmisano argues that the ethical

dilemma thought to be caused by Bonhoeffer's actions is avoided. The result is one that creates an authentic ethical openness by responsiveness to Christ rather than Christian virtue and frees the individual from redundancies of action derived from deeply embedded patterns of theological engagement. *Themelios*, Volume 37, Issue 2 D. Abraham, 2023-02-08 The church is Christ existing within community. The church needs community that is deep and real. In *Living Together in Unity with Dietrich Bonhoeffer* Nicholas J. Abraham reclaims Bonhoeffer's vision for Christian community. By exploring Bonhoeffer's life and writings, Abraham identifies the foundations for community and how we can build upon them. Truly Christian fellowship is through Jesus and in Jesus. It is created by Jesus and maintained by the Spirit. Unity does not come through trending techniques or correct opinions but through love, forgiveness, and God's word. Bonhoeffer provides a thoughtful and timely vision for life together in Christ.

Kelly,2009-01-01 Dorothee Soelle once wrote Dietrich Bonhoeffer is the one German theologian who will lead us into the third millennium As we near the end of the first decade of this third millennium Bonhoeffer continues to inspire new generations as a spiritual guide for their actions on behalf of peace and social justice This book by Geoffrey Kelly provides a critical analysis and reading guide to two of the spiritual classics that are now available in new translations through Fortress Press Reading Bonhoeffer offers a running commentary of each segment of these popular texts along with discussion questions suitable for the university and seminary classroom as well as parish adult education programs In a final section of the book Kelly excerpts and analyzes three significant texts by Bonhoeffer on the need for world peace against the rising militarism and continued glorification of war in Germany and other European nations **The Struggle of Human Existence** Mona Siddiqui,2021-03-04

The first comparative work to explore how humankind seek out the meaning of life amid suffering and struggle **Scandalous Witness** Lee C. Camp,2020-03-10 Christian identity is in moral and political crisis scandalized by the many ways in which it has been coopted and misrepresented Addressing this painful reality Lee Camp writes that Christianity in America has been made into a bad public joke because of our failure to rightly understand what Christianity is From this provocative claim Camp s manifesto makes the convincing case that a renewed Christian politic is more essential than ever one that is neither left nor right nor religious but a prophetic way of life modeled after Jesus of Nazareth Camp s robust vision exposes modern parodies of faith the American concept of Christian values for one and challenges Christians to rethink who they are and how they participate in the modern world Authentic gospel truth is a scandal to the American myth he argues and we are called to be scandalous witnesses **Evangelicals and Nicene Faith ()** Timothy George,2011-10-01

The Nicene Creed is the most universally accepted statement of Christian faith by Protestant Catholic and Orthodox believers alike In this volume top scholars examine the Nicene Creed s connection with the evangelical tradition helping readers see evangelicalism as a renewal movement within the one holy catholic and apostolic church Particular focus is given to the Creed s practical outworking in the life of the church its theology spirituality worship and mission Topics include pastoral work biblical exegesis the emerging phenomena and Christian orthodoxy s revival in the Global South The book helps readers present the
