The Banning of Anti-Personnel Landmines Louis Maresca, Stuart Maslen, 2000-11-16 The International Committee of the Red Cross has played a key role in the effort to ban anti personnel landmines and in offering aid to victims of war and internal armed violence This book provides an overview of the work of the ICRC in this area from 1955 through 1999 and gives additional commentary on general issues of the methods and means of warfare It contains International Committee of the Red Cross position papers working papers and speeches made by its representatives to the international meetings convened to address the mines issue including the 1995 96 Review Conference of the 1980 Convention on Certain Conventional Weapons and the diplomatic meeting which adopted the Ottawa treaty banning anti personnel mines These documents provide critical insights into the development of international humanitarian law on this issue and will form a basis for discussions on landmines and other conventional weapons War Department Technical Manual ,1943 *World War II*

Axis Booby Traps and Sabotage Tactics Gordon L. Rottman, 2011-03-15 For a soldier the threat of booby traps had to be at the forefront of their mind and an ability to find and disarm them was essential This is the first comprehensive study of World War II s battlefield booby traps using information from rare wartime intelligence publications to identify illustrate and describe the tactics of both Allied and Axis saboteurs Examining all aspects of this secretive subject from the equipment used to the techniques of placing and finding them this book uncovers the daily risks faced by soldiers on the ground through the course of the war

Don't Cry For Us, Saigon Major (Retired) Steven E. Cook, 2019-02-27 The United States military did not lose the Vietnam War The South Vietnamese government lost the Vietnam War With many inaccurate books biased statements lack of understanding and facts I decided to write a Vietnamese history book with emphasis on the Second Indochina War This book will correct many of those misconceptions about the Vietnam War answer controversial questions and give readers a microcosm and basic dynamics of the Vietnam War I recorded and archived highlights of the Vietnam War and the accounts of American military heroes whose sacrifices and heroic exploits might otherwise be lost to history The poignant riveting and the gripping reality of war and the demons and misfortune of the Vietnam veterans will be depicted in the book This book is intended for a variety of audiences veterans family members gold star mothers organizations agencies clubs college students faculty and history buffs Search and destroy operations in South Vietnam will be described in comprehensive detail and why President Johnson later changed the name of search and destroy operations to reconnaissance in force This book will show that the worst atrocity of the Vietnam War occurred in the United States when America shunned and discriminated against its Vietnam War veterans and gold star mothers This book is a first person account of high school teenyboppers suddenly answering the call for duty and turning into elite combat warriors virtually overnight Vietnam War veterans saw and experienced horrific savage and direct combat repeatedly that humans aren t intended to see Testimonies of seasoned combat Airborne Infantry soldiers Pathfinders and Special Forces whose average age was twenty one will be depicted through empirical vignettes These first person vignettes will describe the carnage of firefights mortar attacks the stench of human decay and flesh torn and broken and the camaraderie and bonds of men at war Do not judge these warrior leader heroes unless you have walked a mile in their jungle boots through a jungle in a combat environment Remember once upon a time we were all like you Myths of the Vietnam War will be refuted rebutted and debunked Agent Orange and other herbicides used in the Vietnam War will be discussed This book will help all veterans their families and America to better understand and come to some closure and aid in catharsis We are awesome It is chic and vogue to be a Vietnam veteran now

Military Law Review ,1984 **Ukraine Symposium: International Law in the Crucible of Conflict - Vol. 1** Sean Watts, Ronald Alcala, Mehmet Çoban, 2025-05-12 This volume features articles that address a range of topics arising from the Ukraine Russia conflict Among other things the volume examines subjects associated with the battlefield status and protections afforded to combatants prisoners of war foreign fighters and civilians It also evaluates the use of particular

weapons such as Molotov cocktails and thermobaric munitions while also examining the conflict from the perspective of the jus ad bellum

Brodie's BOMBS AND BOMBINGS Jim Smith, 2015-11-23 Bombs and Bombings is the definitive text regarding the construction of bombs and the motivation for bombings in the U S Although some law enforcement sensitive material is excluded from this book it still presents a thorough understanding of why bombs and bombings remain a constant threat The chemistry of explosives and how such affects the performance of explosives are an essential part of the text The reader is taken through a short course on explosive engineering and the chemistry of explosives A brief history of bombings provides insight as to how improvised explosive devices were used to shape history and how the situations of the early 1900s are repeating themselves today While many believe that suicide bombings are something seen only in the Middle East this text explores the suicide bombings in the U S and the motivation of the bombers Various profiles of several famous bombers such as the Unabomber and the Mad Bomber are reviewed along with other psychological issues that might inspire bombers The use of bombs to disperse radioactive materials in the radiation dispersion device configuration is addressed along with the technique used to disperse chemical and biological agents with explosives Booby traps especially those targeting law enforcement are explained and methods to detect booby traps are developed to allow a rudimentary understanding of the process Methods to identify clandestine laboratories manufacturing explosives or other drugs such as methamphetamine are identified providing the reader with an understanding of the items to identify and differentiate the types of laboratories Numerous bombings are examined providing an insight as to why and how the attacks were successful Mitigation techniques such as using alcohol resistant aqueous film forming foam to suppress blast and fragment formation are explained along with deployment methods The text is richly illustrated with photographs depicting IEDs explosives and booby traps to assist in the identification of suspicious objects suspect packages or potential mail bombs The book provides an overview that those involved in law enforcement security and counterterrorism will find elucidating and beneficial in bomb related operations and mitigation efforts

Cornerstones of Security Thomas Graham, Jr., Damien J. LaVera, 2011-07-01 This anthology presents the complete text of thirty four treaties that have effectively contained the spread of nuclear biological and conventional weapons during the Cold War and beyond The treaties are placed in historical context by individual commentaries from noted authorities Thomas Graham Jr and Damien J LaVera which provide unique insights on each treaty s negotiation and implementation During the 1990s numerous arms control agreements were concluded under U N or U S leadership In 1995 one hundred sixty five nations agreed to indefinitely extend the Nuclear Nonproliferation Treaty Many nations ratified important chemical and biological weapons conventions a pact to reduce conventional forces in Europe

and agreements to limit testing of weapons of mass destruction More recent treaties seeking to restrain small arms trafficking and ban land mines are also highlighted and analyzed Graham concludes with lessons learned from the collective negotiation and verification history of these treaties ongoing efforts to limit weaponry and general observations on the status and effectiveness of these agreements There is no comparable resource available for diplomats international lawyers and arms control specialists

The 9th Infantry Division in Vietnam Ira Augustus Hunt,2010-10-05 Of all the military assignments in Vietnam perhaps none was more challenging than the defense of the Mekong River Delta region Operating deep within the Viet Cong controlled Delta the 9th Infantry Division of the U S Army was charged with protecting the area and its population against Communist insurgents and ensuring the success of the South Vietnamese government s pacification program Faced with unrelenting physical hardships a tenacious enemy and the region s rugged terrain the 9th Division established strategies and quantifiable goals for completing their mission effectively writing a blueprint for combating guerilla warfare that influenced army tacticians for decades to come In The 9th Infantry Division in Vietnam Unparalleled and Unequaled Ira A Hunt Jr details the innovative strategies of the 9th Division in their fight to overcome the Viet Cong Based on Hunt s experience as colonel and division chief of staff the volume documents how the 9th Division s combat effectiveness peaked in 1969 A wealth of illustrative material including photos maps charts and tables deepens understanding of the region s hazardous environment and clarifies the circumstances of the division s failures and successes A welcome addition to scholarship on the Vietnam War The 9th Infantry Division in Vietnam will find an audience with enthusiasts and scholars of military history

Malice Aforethought Ian Jones,2021-06-02 War has always provided a stimulus to technological development and throughout the twentieth century this new technology was harnessed to produce increasingly deadly and malicious types of explosives in the form of booby traps mines delayed action devices and mobile charges Designed constructed or adopted to kill or injure these lethal mechanisms function when a person disturbs or approaches a seemingly harmless object or performs an apparently safe act In other instances they are set off by remote control or automatically after a lapse of time Fully illustrated with diagrams and photographs Malice Aforethought traces the design deployment and effectiveness of these deadly devices throughout both world wars to the Vietnam War Expertly and compellingly written this unique study is a tribute to the brave men who risked their lives daily to neutralise the booby traps laid in the dimly lit dugouts of the Western Front on the beaches of Normandy or in the dark and dangerous tunnels of Chu Chi
