Lynn Riggs: The Indigenous Plays Lynn Riggs, 2024-03-28 Lynn Riggs The Indigenous Plays bundles critically edited texts of three thematically allied plays with an extensive primary secondary and textual apparatus The Cherokee Night 1932 comprising seven asynchronous scenes set between 1895 and 1931 is Riggs's most experimental play Its Cherokee characters inhabit a history of dispossession and violence including the dissolution of the Cherokee Nation with Oklahoma statehood in 1907 Their daily survival constitutes the apex of resistance Not so for the Indigenous of The Year of Pilar 1938

the most radical American Indian text prior to the Native American renaissance that began in the late 1960s Here Yucatecan Mayans take a government program of land reform as an opportunity to reclaim their homeland and punish settler colonialists for centuries of enslavement torture and sexual violence Riggs returns to Indian Territory in *The Cream in the Well* 1941 set on the eve of Oklahoma statehood The Cherokee Sawters family responds to the onset of statehood by lamenting lost opportunities and fretting about an uncertain future

Copyright Office,1949 **The Journey of Fray Marcos de Niza** Cleve Hallenbeck,1987 **The Political Arrays of American Indian Literary History** James H. Cox,2019-09-17 Bringing fresh insight to a century of writing by Native Americans The Political Arrays of American Indian Literary History challenges conventional views of the past one hundred years of Native American writing bringing Native American Renaissance and post Renaissance writers into conversation with their predecessors Addressing the political positions such writers have adopted explored and debated in their work James H Cox counters what he considers a flattening of the politics of American Indian literary expression and sets forth a new method of reading Native literature in a vexingly politicized context Examining both canonical and lesser known writers Cox proposes that scholars approach these texts as political arrays confounding but also generative collisions of conservative moderate and progressive ideas that together constitute the rich political landscape of American Indian literary history Reviewing a broad range of genres including journalism short fiction drama screenplays personal letters and detective fiction by Lynn Riggs Will Rogers Sherman Alexie Thomas King Leslie Marmon Silko Louise Erdrich Winona LaDuke Carole laFavor and N Scott Momaday he demonstrates that Native texts resist efforts to be read as advocating a particular set of politics Meticulously researched The Political Arrays of American Indian Literary History represents a compelling case for reconceptualizing the Native American Renaissance as a literary historical constellation By focusing on post 1968 Native writers and texts argues Cox critics have often missed how earlier writers were similarly entangled hopeful frustrated contradictory and unpredictable in their political engagements *The West of Ross Santee* ,1961 **Tom Horn in Life and Legend** Larry D. Ball,2014-05-19 Some of the legendary gunmen of the Old West were lawmen but more like Billy the Kid and Jesse James were outlaws Tom Horn 1860 1903 was both Lawman soldier hired gunman detective outlaw and assassin this darkly enigmatic figure has fascinated Americans ever since his death by hanging the day before his forty third birthday In this masterful historical biography Larry Ball a distinguished historian of western lawmen and outlaws presents the definitive account of Horn s career Horn became a civilian in the Apache wars when he was still in his early twenties He fought in the last major battle with the Apaches on U S soil and chased the Indians into Mexico with General George Crook He bragged about murdering renegades and the brutality of his approach to law and order foreshadows his controversial career as a Pinkerton detective and his trial for murder in Wyoming Having worked as a hired gun and a range detective in the years after the Johnson County War he was eventually tried and hanged for killing a

fourteen year old boy Horn's guilt is still debated To an extent no previous scholar has managed to achieve Ball distinguishes the truth about Horn from the numerous legends Both the facts and their distortions are revealing especially since so many of the untruths come from Horn's own autobiography As a teller of tall tales Horn burnished his own reputation throughout his life In spite of his services as a civilian scout and packer his behavior frightened even his lawless companions Although some writers have tried to elevate him to the top rung of frontier gun wielders questions still shadow Horn's reputation Ball's study concludes with a survey of Horn as described by historians novelists and screenwriters since his own time These portrayals as mixed as the facts on which they are based show a continuing fascination with the life and legend of Tom Horn

Mexican Americans Lois B. Jordan, 1973 **New Mexico Historical Review** Lansing Bartlett Bloom, Paul A. F. Walter, 1967 American Studies Robert H.
