Written originally in French, etc** Guillaume-Hyacinthe Bougeant, 1739 Falling in Love with the King of Beasts AimeeLynn, Elia is a poor university student until the night she's taken to the world of the Anima ruled by humans whose ancient hearts pulse with the blood of animals There she's forced into a battle to the death But when Elia survives and refuses to kill her final opponent the King must either kill Elia himself or take her as his mate Reth the brutal King of the Beasts with the blood of lions shocks everyone when he chooses the weak human Elia to become his Queen He promises her every comfort of his wealth and position but he is clear She will not warm his bed He chose her to defeat those that were trying to corner him into blending his Leonine line with the Wolves Elia needs the help of the Anima to become stronger and rule them well But the vengeful Wolves see only a weak human that brought them shame As Elia and Reth grow closer the wolves are determined to destroy her Will Reth and Elia admit their feelings for each in time to fight for the Kingdom and their lives against the villainous wolf tribe Or will the wolves kill Elia and steal the throne Mature content no sexual violence He stalked towards her chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest His hair had fallen over his eyes in the scuffle so he peered at her through it like a lion in the grass With each step his graceful rolling gait reminded her of a predator stalking its prey Despite the forest floor littered in twigs and leaves he didn't make a sound Who are you Elia stammered backing away her hands up He met her step for step until she came up hard against the tree behind her and didn't stop until he loomed over her so broad his shoulders and chest made a wall in front of her She could feel the heat rising off his skin in the cool night air I am the Leonine King His voice was a dark husky gravel Behind him a chorus of wheezes howls and chirps of agreement rose from the people watching And you are Elia she breathed Elia he growled leaning in closer bringing with him the scent of pine and rain and the musk of something distinctly male I am Reth He said the name with a strange guttural roll in his throat I am King of Beasts I am Clan Leader and I am Alpha of

WildWood Several snarls rose from the crowds behind him then but he ignored them Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek I am the King he said And you will be my mate The forest behind him erupted Cover Art used by permission Illustrated by Aenaluck see more gorgeous art and support them on www.patreon.com/aenaluck **King of Beasts Duet - A Dark Billionaire Romance Box Set** Diana A.
