Bibliographie de l'histoire du Québec et du Canada, 1966-1975 Paul Aubin,1981 Dad's Best Memories and Recollections Charles J. Humber,2016-01-20 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epithaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator

shoes to one of Hollywood's shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States. It is not a remarkable achievement to reflect to recall or to have memories that are treasured. But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in *Dad's Best Memories and Recollections* Cigar Box Lithographs Volume VII Charles J. Humber, The objective of volume VII of the Cigar Box Lithographs series has been to acknowledge women with assorted backgrounds who envisioned fostering cultural foundations in support of future generations all eager to climb social ladders. To discover cigar boxes featuring such hailed women has certainly been a huge challenge especially when considering that the great majority of such wooden containers were carelessly tossed into fireplaces or cast off in dumps more than 100 years ago. Nonetheless the author of this production has been most fortunate to locate a gamut of cigar boxes identified with such a worthy subject matter. The women featured on these cigar boxes wooden containers assembled between 1875 and 1920 not only enhanced such crafted packets during past times but were considered legendary household names during their era. For sure their edifying influence has assisted in making life more satisfactory and extra rewarding.

Cigar Box Lithographs: Volume V Charles J. Humber, 2023-07-27 Cigar Box Lithographs Vol 5 is a collection of stories from Canada's past which the author tells past using century old cigar box lithographs as his guideposts. His collection of books of which this is fifth in a series pay homage to the heritage and culture of this country that have been largely neglected in today's fast paced technology driven society. Similar to its precursors in Volume V readers are once again treated to Humber's chatty erudite writing style reading it no doubt makes Cigar Box Lithographs fans feel like they're sitting down with a treasured friend enjoying a long and fascinating conversation. **Cigar Box Lithographs Volume VI** Charles J. Humber, 2024-05-24 For close to a decade Charlie Humber's discovery and documentation of the forgotten stories hidden beneath century old wooden cigar box lids continues. In 2018 the initial volume of his series headlined Cigar Box Lithographs The Inside Stories Uncovered sparked Charlie's widely embraced six volume series that has attracted a dedicated following both in Canada and abroad. In the latest volume of his acclaimed series Charlie spiritedly delves into a timely topic serenading the alluring history of America's Indigenous Peoples. As with his five previous volumes he pays homage to historical times. Story by story he utilizes cigar box lithographs as his guideposts to reach his principal objective. *Cigar Box Lithographs Volume III* Charles J. Humber, 2021-07-20 Collecting 100 year old lithographs attached to the inside lids of wooden cigar boxes is a gratifying hobby. This Jack Miner cigar box imitates a log house not the typical venue for cigar makers who made plane wooden boxes for their cigar brands. Since the log house box is labelled Jack Miner one presumes it was made in Canada because Jack Miner from southwestern Ontario was world renowned as a Canadian conservationist banding thousands of migratory geese during his life. Acquired after Volume III of this four volume series had gone to the
