Was Hinduism Invented? Brian K. Pennington,2005-04-28 Drawing on a large body of previously untapped literature including documents from the Church Missionary Society and Bengali newspapers Brian Pennington offers a fascinating portrait of the process by which Hinduism came into being He argues against the common idea that the modern construction of religion in colonial India was simply a fabrication of Western Orientalists and missionaries Rather he says it involved the active agency and engagement of Indian authors as well who interacted argued and responded to British authors over key religious issues such as image worship sati tolerance and conversion

Modern Religious Druidry Ethan Doyle White,Jonathan Woolley,2024-07-25 Over the past three decades the academic study of modern Paganism has gone from strength to strength Scholars now have access to a plethora of studies available on such new religions as Wicca Heathenry and the Goddess Movement but despite its prominence modern Druidry has been much neglected This book seeks to change that This volume is interdisciplinary in basis bringing together contributions from anthropologists historians and scholars of religion It fundamentally deepens collective scholastic understandings of modern religious Druidry as an actor within the broader Pagan milieu In addition to looking at the movement in various national contexts the volume also explores thematic topics that have largely been neglected before It will serve as a benchmark upon which all future studies of modern Druidry as well as modern Paganism

more widely can draw upon thereby making a particularly important and much needed contribution to the field
