Cone,2021-10-21 A bronze inscription in the public library of Bridgend calls Richard Price Philosopher Preacher Actuary Cfaill Dynolryw Friend of Humanity He was all these and something more Son of a Welsh Presbyterian of Calvinistic leaning Richard Price was educated for the ministry That he belonged in the best of Dissenting tradition was exhibited at an early age in his own interest in Arianism an interest fostered by the academy at Pentwyn where he studied Here he met the works of Samuel Clarke which thoroughly aroused the ire of his father Richard Price did not cringe in the face of hostile public opinion when events temporarily brought his principles into unpopularity More than most of his liberal contemporaries he was truly a torchbearer of freedom His first book was an attack on the empiricism of Locke however Richard Price intended no denial of other aspects of Locke s thought An abiding faith in human reason in free will and in the value of education and science with the consequent distrust of tyranny of any variety all show that Price was not in revolt against the leading philosophical trends of his age Rather he sought to place these values on a firm moral basis In association with many of the great spirits of the age Joseph Priestley Benjamin Franklin Adam Smith John Howard the Younger Pitt and Turgot among others he moved from

moral philosophy to mathematics an area in which he made many advances in statistics and from there to political economy His contribution in this latter respect was twofold There was his enormous influence in drawing attention to the problem of the national debt of England and suggesting the Sinking Fund scheme that Pitt finally introduced And there was his interest in and encouragement of the independence of America In 1778 the Continental Congress voted to invite Price to take up American citizenship and offered to pay his expenses if he chose to move The life of Richard Price is an example of the power of the human spirit to shape the course of history

Torchbearer Steven Thiele,2020-04-03 Remember where your loyalties lie On the verdant plains of Leranion the Eternal Order obliterates an ancient monastery and the peaceful monks within Only a condemned magic saves their apprentice Eli from certain death Grieving and raging he flees his shattered home seeking answers and vengeance But he will discover he is a threat to the Order and all it stands for a living blasphemy with a power to rival the throne Rebel leader Jayne is hiding from the Order and her past Friend and foe alike are a threat and a single mistake could prove fatal Captured in the wilds whilst protecting refugees she vows never to let brutality break her Religion and royalty are on the brink of war one which could tear the young warriors world apart Eli and Jayne soon realise the truth of what brought them together but secrets and magic have a way of fracturing destiny
