 Malinovskii (1765-1814)** P. Ferretti,2012-12-06 Vasilii Fedorovich Malinovskii 1765 1814 is a name which has hitherto
 lacked true resonance in the history of Russian culture It is of course a name known to all students of Alexander Pushkin s
 biography for Malinovskii was the first Director of the new Tsarskoe Selo Lyceum if sadly for only the first three of the young
 poet s years at the school For those scholars conversant with the intellectual and literary life of the beautiful beginning of the
 reign of Alexander I s reign Malinovskii has his little niche for his remarkable *Rassuzhdenie O mire i voine* 1803 and less for
 his *Osennee vechera* 1803 a little known journal limited to a mere eight weekly issues and written entirely by the editor As
 regards the of his eighteenth century Malinovskii who lived the first thirty five years life predominantly in the reign of the
 great Catherine little information encumbers the memory of even specialists of the period Indeed his elder brother Aleksei
 Fedorovich 1762 1840 is the more likely to be remembered for his literary and translating work as well for his later position
 as Head of the Moscow Archive of the Ministry of Foreign Affairs which brought him into contact with Pushkin and not
 unexpectedly with Karamzin Karamzin referred to him as one of my few old and genuine friends but one searches in vain for
 a similar accolade for Vasilii Fedorovich Universalising International Law C. G. Weeramantry,2004 Universalising
 international law is one of the most urgent tasks awaiting those who wish to advance the discipline Though all the world
 acknowledges its universal nature it has long been confined in a largely monocultural mould Indeed a tendency is sometimes
 discernible for international law to be compartmentalised and to function within a close cabinet of technical rules little
 known to those outside the ranks of specialists This volume looks initially at some general aspects of universalisation It
 thereafter adopts a universalist approach to some of the sources of international law and it deals with peace the bedrock of
 international law which likewise requires a universalist approach It is hoped that these studies will highlight the imperative
 need that now exists for extending the conceptual framework of international law thereby buttressing its moral authority and
 widening its appeal at a time when universal acceptance of international law is one of the most pressing demands of the
 international system *Conditions of Peace* Cyrus Augustus Bartol,1863 *Everyday Peace?* Philippa Williams,2015-10-12
