Of Personal Prayer:

The POWER Of Personal PRAYERS Cornerstone Godwin, 2024-05-18 Whether individual or corporate prayers prayer remains a powerful spiritual force provided God's requirements for answered prayers are met when praying. But this book sets out to reveal the power of Personal Prayers for you to not only believe in your prayers but equally begin to enjoy the full benefits of your supplications. To know the power in our prayers is so very important because people now run helter skelter from pillar to post looking for Prayer Contractors or to use the more refined modern terminology Prayer Partners all over the place. They do this because of their ignorance of the power of their prayers. Little do they know that God deals with us first of all on an individual basis before ever considering us as a corporate entity. Truth is during emergencies and in times of dire needs when you need prayers people are not always there to pray with and for you. That's why God deals with us first as individuals thereafter as a congregation. Not many people know the power of their prayers. As a result of this ignorance they believe more in corporate prayers and other people's prayers than in their prayers. It is important to state clearly that there's nothing bad with people praying for you. Nothing is also wrong with corporate supplications. While nothing is wrong in praying with other people or even asking for people to pray for and with you, there's everything wrong in depending on other people's prayers and over depending on corporate prayers. This is not to undermind corporate prayers. That's not the intention of this book. God hears and answers both corporate prayers and individual supplications alike. My position is that Personal Prayers your prayers are more important and even more powerful as far as the direct affairs and issues of your life are concerned. There's room for corporate prayers and there's a place reserved also for personal prayers. To estimate other people's prayers over and above your prayers is what is wrong and unacceptable. The experiences of three biblical characters as captured in this book explain the wisdom of praying for yourself by yourself instead of relying on other people's prayers or depending on corporate prayers. In Ishmael's case he and her mother wept after they were sent away from Abraham's house for their unruly behavior but it was his voice God heard and sent an angel to encounter them. The author wonders what would have been their fate if the boy left the prayer for his mother and didn't cry that is pray for himself. In the case of Peter Jesus caught a revelation of Satan's planned attack on Peter's faith and prayed for him that his fail should not fail but his prayer for Peter didn't fully insulate him from Satan's sifting as he still denied the Lord thrice thereby teaching us a great spiritual lesson that no matter who prays for you your prayer is more potent to avert Satan's onslaughts against you and your interest. Our Lord Jesus Himself had his own experience of this just before his crucifixion his three closest disciples whom He trusted and had conscripted to stand with him in prayers were busy sleeping while the Lord was agonizing. The book exposes the dangers of relinquishing what the author calls your Personal Prayer Responsibility to others and challenges you to rise to your responsibility of praying for yourself by yourself as no one can and will ever pray for you like you. It teaches that without prejudice to corporate prayers personal supplications are as powerful with God if not more powerful in producing results and

answers as any prayer can be All you must do is know how to pray according to the will of God and your prayers will move the same mountains solve the same problems and deal with the same challenges as any other person s prayer can do Overall the book gives you a fresh understanding of the efficacy and potency of individual supplications **The Art of Personal Prayer** Lance Webb,1962 *A Book of Personal Prayer* Rene Bideaux,1997 This pocket book of personal prayers offers a limited collection of prayers that reveals a spirit of abandonment to God s initiative The prayers represent a diversity of spiritual journeys from scripture and throughout the church s history **The Gift of Prayer** Fellowship In Prayer,1995

Earthen Vessels Gabriel Bunge,2010-06-10 The Fathers of the Church deeply rooted in the Scriptures have left us a rich treasure as inheritance not only of texts but also of manners forms and gestures of prayer Today western Christianity in a special way needs to rediscover the intimate union which must exist in prayer just as in any aspect of Christian life between theory and practice between contemplation and practical exercise One learns how to pray by praying and the whole of our being is called to participate in this work the mind the heart but also the body the gaze the senses Fr Gabriel Bunge a hermit with great spiritual discernment and profound knowledge of the Fathers of the desert presents with masterly coherence this important unity between what one believes and what one expresses in the practice of prayer a fascinating rediscovery of the valuable treasure contained in the teachings of the Church Fathers on the practice of personal prayer Handbook of Child Psychology, Theoretical Models of Human Development William Damon,Richard M. Thomas Acklin, OSB,Fr. Boniface Hicks, OSB,2020-02-01 Prayer is at the heart of the Christian life Given that we are weak and even sinful human beings how can it be that God has anything to do with us What does it mean to have a personal relationship with God Why is God so silent and hidden How do we grow in prayer Personal Prayer A Guide for Receiving the Father s Love brings the depth of human experience together with the Catholic tradition of prayer to present the path to an intimate and vulnerable relationship with God Experienced spiritual directors Fr Thomas Acklin OSB and Fr Boniface Hicks OSB explore the many forms of Catholic prayer and demonstrate that vulnerability is essential to growing in relationship with God Rich with the wisdom of Scripture Catholic teaching and the writings of the saints Personal Prayer is an exhaustive guide for priests religious and laity desiring to receive the Father s love in a profoundly personal way

Prayers of Jewish Women Markus H. McDowell, 2006 Markus McDowell examines how the literature of the Second Temple period portrays women at prayer through an examination of the literary context and character of those prayers. The goal of this work is a greater understanding of how women were portrayed in literary sources and an offering of some fresh insights for the study of women's religious and social roles in the ancient world. The texts are analyzed and categorized within five areas: social location, content, form, occasion, and gender perspective. The prayers are also compared and contrasted with men's prayers in the same sources. The analysis includes locating as much as possible the historical literary and cultic context of each document in which these prayers appear. By examining all prayers in these texts uttered by women, not just prayers of named or prominent women, and then comparing them with all the prayers of men in those same texts, certain patterns appear. This study adds to our knowledge of women and religion in Second Temple Judaism by primarily exploring patterns that appear among the prayers in the literature of the Second Temple period. While there are fewer prayers by women than men in this literature, the prayers of women are not portrayed as significantly different from those of men in terms of social location, content, form, or occasion. At the same time, the prayers of women exhibit other patterns of language and in a minor way, form and occasion that differ from the prayers of men.
