Miniature **A Book of Uncommon Prayers, Literary, Biographical, Historical (Classic Reprint)** Edwin Hodder,2018-01-18 Excerpt from A Book of Uncommon Prayers Literary Biographical Historical It is quite true that the literature of prayer may be made conventional and common place and that a long series of prayers composed by one person may become a book of mere repetitions but it is equally true that in the selected prayers of men of large hearts and wide influence who have left their mark on the history of the Church in times of critical importance in the past no less than in the prayers of thoughtful men in the changing and unstable present there are to be found valuable gems of devout expression deep and wondrous thoughts of God and man fruitful aids from rich experience and rousing words of hope and aspiration
