Reproduction of the original *The Book of Leviticus* by S H Kellogg **A Journey through the World of Leviticus** Mark W. Scarlata, 2021-11-18 Leviticus is often seen as one of the most uninviting books of the Old Testament Who wants to read about blood sacrifice infectious diseases or ancient dietary restrictions Yet like visiting any foreign country to truly appreciate its culture one must become familiar with the language customs and ways of the people This book guides the perplexed reader through the foreign signs symbols and beliefs of the ancient Israelites From blood and atonement to the loveable rock badger we begin to discover the sacred world of Leviticus and its relationship to a holy God who dwells with his people The rituals and commands God gave to Israel form the deep roots of the biblical tradition that were not meant to be left in the past Tapping into these roots helps us understand the life and ministry of Christ and how we might pursue holiness today Each chapter surveys key aspects of Leviticus and then explores how these relate to the New Testament and the life of faith in the twenty-first century In this accessible and engaging travel log Scarlata introduces the depth and beauty of Israelite practices prescribed by God that were further revealed in Christ and continue to speak to the life and faith of Christians today **A Survey of the Old Testament** Andrew E. Hill, John H. Walton, 2000 A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary historical and theological issues of each Old Testament book and of the Old Testament as a whole This revised edition makes the exceptional scope of the first edition more accessible to contemporary readers A redesigned interior complete with new visuals maps photos timelines and charts makes this book more attractive and useful than ever Treating the books of the Old Testament in the

order of the English canon A Survey of the Old Testament explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author The book also introduces the reader to issues such as Israelite and Near Eastern history archaeology the formation of the canon and geography Written by two widely respected scholars and educators A Survey of the Old Testament is designed to help readers develop a broad grasp of the Old Testament **Notes on the Book of Leviticus** ,1860 **The Expositor's Bible: The Book of Leviticus** Dr.

Law,2025-05-30 It is well known among Christians that the book of Leviticus is one of the least read in the whole Bible And that because on the surface Leviticus may seem excessively focused on religious rituals and ceremonies associated with the ancient Israel However when read through the lens of the New Testament and having in mind that single plan of redemption that unfolds progressively in the Scripture this book becomes so rich that one can hardly put it down Are you prepared to meet Christ on almost every page of the book of Leviticus Henry Law dean of Gloucester in the 18th century drives us through the The Gospel of Leviticus to help us see how the Word of God reveals in a prophetic and typical manner the plan of redemption made even before the creation of this Universe And Christ is at the very epicenter of this This book was originally published in 1867 This edition has been proofread typeset for eBook readers and lightly updated for modern readers [The IVP Women's Bible Commentary](#) Catherine Clark Kroeger,Mary J.
