Of Mormon Authorship New Light On Ancient Origins:

Book of Mormon Authorship Charles D. Tate, 1982-01-01 Since 1830 millions of people have read the Book of Mormon and become convinced that Joseph Smith's account of its ancient origins is correct. Others however assume that the book must be a fraud. The Book of Mormon describes peoples cultures history and lands largely unknown to the 19th century world. But today we enjoy a relative wealth of information about those times and peoples providing a background against which the Book of Mormon's claims of ancient origin can be tested. This volume brings together a collection of initial efforts to mount such tests. Although first published in 1982 these nine essays have not been outdated or refuted by subsequent studies. The evidence and conclusions they put forward are just as persuasive today as when they were first published. *Book of Mormon Authorship* Charles D. Tate, 1982 [Interpreter: A Journal of Mormon Scripture, Volume 8](#) (2014) The Interpreter Foundation, 2014-03-29 This is volume 8 2014 of *Interpreter: A Journal of Mormon Scripture* published by The Interpreter Foundation. It contains articles on a variety of topics including narrative theology Limhi's use of enallage a book review of *The Intolerance of Tolerance* biblical theophanies and Joseph Smith's First Vision Oliver Cowdery's aborted attempts to describe the First Vision a book review of *Tiki and Temple: The Mormon Mission in New Zealand* thoughts on Christmas from Hugh Nibley the scale of creation in space and time a book review of *In God's Image and Likeness 2* Enoch Noah and the Tower of Babel Hagar in LDS thought two book reviews of *Letters to a Young Mormon* the NHM inscriptions as evidence for the historicity of the Book of Mormon chiasmus in Abraham 3 a note on the names Zeezrom and Jershon two book reviews of *Significant Textual Changes in the Book of Mormon: The First Printed Edition Compared to the Manuscripts and to the Subsequent Major LDS English Printed Editions* and a call to Pacific anthropologists on the origin of mankind in the Pacific.

Of Faith and Reason: 80 Evidences Supporting Joseph Smith Michael R. Ash, 2023-02-02 In the early 1800s many people criticized the Prophet Joseph Smith for his prophecies and revelations today several evidences prove that Joseph was right. Michael Ash a well known LDS apologist explains why it is useful and perhaps even necessary to combine reason with faith in our testimony of Joseph Smith. He reminds us that although secular evidences can't replace a spiritual witness they can support a testimony and provide an atmosphere where a spiritual witness can flourish. Using scholarly journal articles and ancient Jewish and Christian writings Ash provides evidences that show how the Book of Mormon is a true account of an ancient people how LDS scriptures are consistent with the traditions and culture of ancient Israel and how the doctrines of the Church accurately reflect the teachings of Christ. Ash writes clearly and simply providing numerous resources to foster further study. With over 80 evidences this book is an excellent resource for those seeking more information about Joseph Smith and his works. **Second Witness: Analytical and Contextual Commentary on the Book of Mormon** Brant A. Launius, 1995 This interesting well researched biography of the founder of the Reorganized Church of Jesus Christ of Latter Day Saints covers the 54 years of his presidency, a tenure marked by Mormon factionalism that he succeeded in controlling. The son of the founder of Mormonism, Joseph Smith III, at first resisted succeeding his father as leader and prophet but as his biographer underscores, his governance from 1860 until his death in 1914 was fiercely committed to the religious legacy of his parent. Differing in style from the elder Smith's sometimes disastrous impracticality, his son exemplified rugged individualism with a secular pragmatism that sprang from his legal education. An opponent of polygamy as proclaimed by Brigham Young, the younger Smith established a viable bureaucracy and a style of leadership that characterizes the Mormon community today, notes the author, a military historian. **Book of Mormon Onomasticon & Theological Word Study** Robert F. Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book
