W. Hengstenberg, 2005-05-05 From the author s Preface This work is designed to give the reader a clear view of the reality of Ezekiel and in this grand prophetic figure to bring before his mind at the same time the nature of prophecy in general Ezekiel prophesied in a time of great decision in a time of the iniquity of the end in which sin was ripe and with it punishment He is exactly the prophet for our times Whosoever penetrates into him will be deeply stirred by his earnestness and will feel himself impelled to exert all his powers that the crisis on which we have entered may be brought to a prosperous issue At the same time however if it should please God to bring great sifting judgments upon us to pull down what He has built up and to root out what He has planted we may gain from Him an immovable confidence in the final victory of the kingdom of God who kills and makes alive wounds and heals and who after He has sent the darkest cloud at length remembers His covenant and displays His shining bow **The Book of the Prophet Ezekiel** Andrew Bruce Davidson, 1893 *The Book of the Prophet Ezekiel* Andrew Bruce Davidson, 1892 **The Book of the Prophet Ezekiel** Crawford Howell Toy, 1899 *The book of the prophet Ezekiel, a new Engl. tr. with notes by C.H. Ezekiel Ralph W. Klein,2024-03-12 Ezekiel was an ordinary person called mortal by God more often than his own name Yet because of the radical times Ezekiel reacted in a radical way through his unusual lifestyle and his sharp theological diagnosis His important message about judgment and hope came at a critical moment of Israel s history This volume is not a biography about the prophet Ezekiel It is a literary and theological analysis of a biblical document left behind by a nearly anonymous and mostly unknown prophet Ralph W Klein analyzes the shape of the book deciphers its imagery comments on its technical vocabulary and relates its parts to one another Ezekiel s passionate diagnosis of the incompatibility between the failings of ancient Israel and the potential for its ongoing history also calls into question modern assumptions about the inevitable viability of synagogue church and society His nearly unbounded optimism about the radical transformations that can be expected when God dwells with people has important implications for all heirs of the prophet in the community of the faithful who know that the name of their city is or ought to be Yahweh is there **An Introduction to the Study of**
