Ellen White, 2014-04-28 Ellen White explores the depiction of the divine council under the authority of Yahweh in the type scenes of the Hebrew Bible. She proposes criteria for determining a Council of Yahweh type scene and membership requirements. Following these criteria, the Council of Yahweh texts are Isaiah 6:1, Kings 22, Job 1:2, Zechariah 3, and Daniel 7. After determining a cast of characters, the author explores the structure of the council and realizes that the structure contains three tiers with two divisions on tiers 2 and 3. The first tier belongs to the chief god; the second tier is called the Councilors, and the two divisions are Judicial Officials and Advisors. The third tier is the Agents, and the two divisions on this tier are the Court Officers and Commissioned Characters who play a role relating to the council but are not themselves members of the council; they are also analyzed. Finally, Ellen White evaluates the potential for conceptual evolution, especially in relationship to monotheism and the participation of human beings within the Council of Yahweh.
