beginning In the opulent yet turbulent year of 1804 England Miss SARAH MORTENSEN cherished daughter of BARON HARTMORE finds herself cornered into accepting yet another ill suited marriage to salvage her family s crumbling estate a consequence of her father s relentless gambling With her patience dwindling and her dreams of true love fading into the shadows of duty Sarah is desperate for an escape Enter the formidable Dowager Countess of Whickerton affectionately known as Grandma Edie a woman whose cunning is only matched by her reputation for scandalous yet successful schemes With a twinkle in her eye and a plan up her sleeve she offers Sarah a daring way out a staged abduction that promises both freedom and adventure She sought solitude fate delivered a Scotsman Compelled into action KEIR MACKINNEAR a robust and brooding Scotsman from the wilds of the Scottish Highlands reluctantly agrees to the countess s audacious plan Under the cloak of night he spirits Sarah away to a secluded woodland cottage where they are to remain hidden from the prying eyes of society As winter whispers through the trees their forced proximity kindles a warmth that neither can deny

Surrounded by the rustic charm of nature a cluster of spirited chickens and Loki a royally poised cat the pair discovers that love often blooms in the most unexpected places But as the snow deepens Keir begins to suspect that their escape was not solely for Sarah s benefit Could the wily Grandma Edie have a secondary motive weaving a match not just of convenience but of passion Who said kidnapping can t be romantic As secrets unravel and true feelings emerge Sarah and Keir must decide if they dare to trust their hearts and defy the rigid rules of society Will this audacious escapade lead them to a love as wild and beautiful as the untamed Highlands themselves Behind every great escape is a dowager with a plan and a cat with an attitude Some stories can be told in one book Others cannot This is one of those stories **Flames of Winter Series 1 Flames of Winter 2 Shield of Fire 3 Out of Smoke and Ashes 4 On the Wings of Cinders** **Mind of Winter** William Bevis,2010-11-23 Bevis addresses the most puzzling and least studied aspect of Wallace Stevens poetry detachment Stevens detachment often associated by readers with asceticism bareness or withdrawal is one of the distinguishing and pervasive characteristics of Stevens poetic work Bevis argues that this detachment is meditative and therefore experiential in origin Moreover the meditative Stevens of spare syntax and clear image is in constant tension with the romantic imaginative Stevens of dazzling metaphors and exuberant flight Indeed for Bevis Stevens is a poet not of imagination and reality but of imagination and reality but of imagination and meditation in relation to reality **The Dragons of Winter** James A. Owen,2012-08-28 The Archipelago of Dreams is no more but the battle to save it has just begun in the penultimate book in the acclaimed Chronicles of the Imaginarium Geographica series The Caretakers are at war The Archipelago of Dreams has fallen to the Echthroi and the link to the Summer Country has been lost The Keep of Time must be rebuilt and the secret lies somewhere in Deep Time at the beginnings of the World when the Summer Country and the Archipelago were one and the same Fortunately there is still hope the Grail child Rose Dyson and the new Cartographer Edmund McGee have learned how to map time and through a precarious balance of travel to the past and the future they have a chance of repairing the present Rife with allusions to history s great literary figures and personalities from Gilgamesh and Medea to Edgar Allan Poe and H G Wells this absorbing adventure the sixth in the Imaginarium Geographica series leads its heroes to a land where all secrets may be found Known at the beginning of time as the City of Jade history came to call it Atlantis And it is there that the Architect of the Keep may have trained the young angel who built the city an angel named Samaranth **Dead of Winter** Gil Burgess,2004-04 Dottie Lou in her SECOND Note in the life of a Northland Musician reveals an emotional incomprehensible reality when her music career clashes with Marriage She discloses how perpetually they fail to compliment each other She embraces intrigue and indepth into the infectious temptations the ultimate pitfalls but not without abundant humor the many nonsensical days of Wine and Roses that permeates the behind the Limelight scenes of the entertainment world blending the silly with the serious Tender sentiments and the sometimes risque glow of passion jump from the provocative pages of penned relationships And from her pen emerges with poignant concern the traumatic anguish of her children as they cope with the
