Applegate,2018-03-27 Her human name is Eva There was a time when she had a loving husband and a son Marco When she had a wonderful career But that was before she was infested by Edriss 562 Before the invasion of Earth Now Edriss 562 lives in Eva s head and controls her every movement And through Eva Edriss has become the highest ranking general in the Yeerk empire surpassing even her arch rival Visser Three She is Visser One But it has become known that Visser One s tactics for attaining her current position were less than acceptable even to the Yeerks Now she s on trial for treason If she s found innocent she ll continue to rule But if she s found guilty she ll lose her life and possibly the life of her host Eva Which will mean that Marco will never ever see his mother again **The Reunion**

(Animorphs #30) K. A. Applegate,2017-07-25 Marco s mom is back But she s not Visser One anymore Marco s not even sure if she s still a Controller but he s determined to find out No matter what it takes No matter what might happen Marco wants his mom back Jake and the other Animorphs realize that Marco is under some serious stress And that the situation with his mom could very well jeopardize everything they ve worked for Now they also have to wonder if Marco will be the one to give away the secret of the Animorphs The Exposed (Animorphs #27) K. A. Applegate,2017-07-25 The Animorphs have

one true ally in their battle against the Yeerks the sentient androids known as the Chee So when they discover that the Chee including their friend Erek are in trouble they have no choice but to help But the Chee s problem is much deeper than anything the kids could have imagined It s hidden in the ocean So far down that no human has ever travelled there and survived The Animorphs realize what will happen if Visser Three discovers the valuable secrets of the Chee One of which is the existence of the Animorphs *Animorphs* Katherine A. Applegate,2001 **The Escape (Animorphs #15)** K. A.

Applegate,2017-06-27 Almost nothing could be as bad as finding out your mother is Visser One the most powerful leader of the Yeerk invasion of Earth But it happened to Marco And even though he s been handling it pretty well he knew there d come a time when he d have to face her again knowing that the Yeerk in her brain has taken his mother away So when Marco and the other Animorphs discover that Visser One is overseeing a secret underwater project they know they have to check it out But Marco s not sure if this is a battle he ll be able to fight The Threat (Animorphs #21) K. A. Applegate,2017-07-25

There is a new Animorph And he s arrived just in time because the Yeerks are preparing their biggest takeover ever Their ultimate target the world s most powerful leaders all gathered together in one place What better way to get into the minds of humans Literally At first David joins the fight with a vengeance But there s definitely something wrong Because he s starting to break the rules taking risks that could get them all captured Or killed The Animorphs don t know what to do There was a time when the Yeerks were their greatest enemy but that s about to change *The Solution (Animorphs #22)* K. A.

Applegate,2017-07-25 David the newest Animorph is not what he appears His need to control the other Animorphs is all he thinks about And the things he does are starting to break up the group Rachel and the others know that time is running out

The newest battle against the Yeerks is the most important one yet And it s not one that will wait Winning this fight could mean slowing down the invasion But no one knows what to do with David Because the newest Animorph is more than just a little problem He s deadly **The Andalite's Gift (Animorphs Megamorphs #1)** K. A. Applegate,2018-03-27 We never should have done it But we needed a break Some time off from the superhero stuff A chance to act like normal kids Well as normal as four kids who can morph into animals a boy trapped in a hawk s body and a bright blue alien can be Everything should have been cool Now Rachel is missing And there s this this thing that s after us But it s not up to me to tell the whole story Tobias Cassie Marco and Ax were there too Even Rachel has some info to add So go ahead and check this out And remember not to tell anyone what we re about to tell you It could mean the difference between life and death Or worse
