Anna Goes to a Party Gabriele Kramer-Kost,2019-08-17 Sometimes the best teaching tools are stories And if you have a child grandchild or student you re teaching about the Mass this is a terrific addition to your lesson plans Anna is about to make her First Communion but she doesn t really understand what it s about until her godmother uses a family birthday party to explain about the Mass Using that same birthday party symbolism you and your child can discuss penance reconciliation the Eucharist and the entire Mass Pieces of Time Linda McKenna Ridgeway,2003-04-30 Pieces of Time is the story of a childs grit as she evolves during the early 1900s in a Brooklyn family where she has been abandoned and terrified This sensuous portrait of feisty perseverance delights and grieves us in the face of social prejudices and feminine oppression This is the story of Anna Bennett who has reason to be caustic and hateful yet evolves into a kind and loving woman with a sixth sense of the future It could be anyones story if they knew as Anna knew they would live for more than one hundred years **On Our Own** Melissa Ludtke,1999-03-31 Ludtke brings the voices of women having children on their own into a public debate from which these voices have been conspicuously absent Interweaving their voices with her own savvy and intuitive commentary she has written a vitally important book Carol Gilligan author of In a Different Voice
