Difficult Reading

Jason R. Marley,2023-09-07

Difficult Reading offers a new approach to formal experimentation in Caribbean literature In this insightful study Jason Marley demonstrates how the aggressive antagonistic elements common to the mid twentieth century Caribbean novel foster emotional responses that spark new forms of communal resistance against colonial power Marley illustrates how experimental Caribbean writers repeatedly implicate their readers in colonial domination in ways that are intended to unsettle and discomfort In works such as Denis Williams s The Third Temptation Wilson Harris s The Secret Ladder and Vera Bell s overlooked prose poem Ogog acts of colonial atrocity such as the eradication of Indigenous populations in Guyana the construction of the Panama Canal or the disenfranchisement of Afro Jamaican communities become mired in aesthetic obfuscation forcing the reader to confront and rethink their own relationship to these events In this way new literary forms engender new forms of insight and outrage fostering a newly inspired relation to resistance
