

must be aimed at and gradually developed. By such means ancient Greece developed men and women whose type of beauty still remains a model.

Their emotions must be developed by friendly brotherly living, by firm exclusion of all suspicion, distrust, imputation of evil motives, and abstinence from harsh judgments; all emotions that spring from love must be strengthened; all those that spring from hate must be destroyed. Even good emotions must not be allowed to weaken poise and balance; exaggerated physical expression, save the continual radiance that needs no words, should be gradually controlled. Emotions are best trained by high ideals and by daily practice in services of any and every kind. By those the life is made full of joy, and selfish emotions are starved out unconsciously. The emotions that find expression in Art and in the enjoyment of beauty, in music, painting, sculpture, should be diligently cultivated.

Their minds must be trained by study, by discussion, by strenuous thinking, and they must add to Education, Culture. Education can be given by others or gained by the study of books. But Culture can be attained only by the man himself, applying the results of Education to the understanding of human nature, by sympathy with human diversities and absence of prejudice. The outer graces of the body, refinement in dress and speech and manners, natural as beauty is natural to the flower, are the results of Culture. Without these a real Democracy is impossible.

For all this, our Centre must have a School for the training of future members of the Centre. In that the body must have its early training, and this must include manual accuracy and dexterity, and also vocational education at a later stage, fitting the boy and girl for the function they are to discharge later in life. Literature, Art, Science and Manual Occupations must all have their places. The Centre will send out many good citizens to the Americas in addition to those who remain in it.

This school will offer to parents living in the Centre an education which will train their

sons and daughters to be fit citizens in the New Civilization, developing the social virtues necessary for usefulness therein, and learning in the life around them the happy results of a truly brotherly association.

Among our institutions must be, in addition to the School — expanding later into a College — a Library, a Club, a Temple for Worship and Meditation, an Art Centre, a Co-Masonic Lodge, a Theatre, Play-grounds for adults (in addition to that of the School for children), and any others for which there is a demand, as funds permit. These should attract visitors of intellectual or artistic merit, men and women of originality and special type of ability, who might find inspiration in the atmosphere of the community and the beauty of the Valley for a time, though not desiring to become members.

For this foundation of a Centre for the New Civilization large funds are needed. We have agreed to buy land, the area of which is 465 acres; it forms the beauty spot in a beautiful Valley. Some of it is under cultivation, the rest of it not; it has a good water supply. Much of the land will of course be needed for residences for the settlers in the Centre and will bear a ground rent; and it will be necessary to mark this out in plots, to make the necessary roads and to plant avenues of trees along these; other trees will have to be planted, some fruit-bearing. It is proposed to start on the Estate a Co-operative Fruit Business (growing and drying), a Co-operative Store, and a Co-operative Farm, thus enabling some of the members to earn their living, and to show the future developments of small production and distribution on brotherly lines so that the Centre may, in the near future, become self-supporting.

For this, donations are appealed for, at once, and these may be sent by check either to Dr. Annie Besant, Ojai, California, U.S.A., or to the Security Trust and Savings Bank, Caluenga and Hollywood Boulevard Branch, Hollywood, Calif., U.S.A., to be deposited in an account to be known as the Happy Valley Foundation Fund. This will be in the hands of Dr. Besant, Dr. John Ingelman and F. C. Holland, attorney of Los Angeles, two
