S.G. Browne,2012-10-30 One of America s best satiric novelists Kirkus Reviews S G Browne seamlessly gift wraps this horrific and hilarious sequel to his extremely strong Publishers Weekly starred review zombie novel Breathers He sees you when you re sleeping he knows when you re undead How does the leader of a failed zombie civil rights movement from California rescue a group of his undead brethren and help a lonely Breather girl as he hides from a band of medical researchers while disguised as Santa Claus If you ve never believed in Christmas miracles then you wouldn t understand Andy Warner has just escaped from a zombie research facility in Portland Oregon where he s been subjected to experimental testing for the past year With Christmas just days away Andy figures that donning a jolly old St Nick costume to throw off his would be captors is just the ticket But he never expects to encounter a sweet lonesome nine year old girl who not only

reminds Andy of the family he's lost but who thinks he's the real Santa. He also doesn't count on being recognized as last year's national quasi-celebrity by a clandestine group of decaying supporters who look to him for leadership. For the living and the undead, this unforgettable holiday tale will truly put on display just who is gnawing and who is nice. Riches Beyond Measure (Golden State Treasure Book #3) Mary Connealy, 2025-10-07 When an earthquake strikes Two Harts Ranch, it shakes the life of Annie Lane along with Cord Westbrook, who has been working as a cowboy on Annie's family's ranch in anticipation of purchasing his own. The only thing delaying his plan is the deep attraction he feels toward Annie, a widow with a child and an established life as a teacher at the Hart School for Orphans. Unfortunately for Cord, she seems determined to avoid romance. The aftermath of the earthquake reveals that prized artifacts from the long-sought MacKenzie treasure have been stolen from the ranch. But the return of the MacKenzie family to Two Harts soon has everyone focused on what other precious finds might await at the end of the legendary two-part map. As Cord, Annie, and the MacKenzies set out in search of riches, they face dangers more perilous than earthquakes. With gold in their sights and love within reach, Cord and Annie realize that some treasures may fade, but true riches are far more valuable than earthly goods. This riveting conclusion to Mary Connealy's Golden State Treasure series is a rousing California wilderness adventure filled with danger, deception, and second chances. **The Brethren (Annie's People Book #3)** Beverly Lewis, 2006-10-01 Annie Zook, the Amish preacher's daughter, is caught between two worlds. Living with shunned friend Esther, Annie longs to return to her forbidden art and the idyllic days spent with Englisher Ben Martin before her father ordered her never to see him again. Stunned when family secrets come to light, Ben determines to solve the mystery of his past. Will his future include Annie, or will the Brethren always stand between them. **Evenings at Donaldson Manor; Or, The Christmas Guest** Maria Jane McIntosh, 1852 The Women of the Copper Country Mary Doria Russell, 2020-07-07 From the bestselling and award-winning author of *The Sparrow* comes historical fiction that feels uncomfortably relevant today. Kirkus Reviews about America's Joan of Arc: the courageous woman who started a rebellion by leading a strike against the largest copper mining company in the world. In July 1913, twenty-five-year-old Annie Clements has seen enough of the world to know that it's unfair. She's spent her whole life in the mining town of Calumet, Michigan, where men risk their lives for meager salaries and have barely enough to put food on the table for their families. The women labor in the houses of the elite and send their husbands and sons deep underground each day, dreading the fateful call of the company man telling them their loved ones aren't coming home. So when Annie decides to stand up for the entire town of Calumet, nearly everyone believes she may have taken on more than she is prepared to handle. Yet as Annie struggles to improve the future of her town, her husband becomes increasingly frustrated with her growing independence. She faces the threat of prison while also discovering a forbidden love. On her fierce quest for justice, Annie will see just how much she is willing to sacrifice for the families of Calumet. From one of the most versatile writers in contemporary fiction, this novel is an authentic and moving historical portrait of the lives of the crucial men and

women of the early labor movement with an important message that will resonate with contemporary readers Booklist
