Annies Four Grannies:

Generations Together a Job-Training Curriculum for Older Workers in Child Care ,1993 *Sacred Bundles Unborn* (Second Edition) Morningstar Mercredi, Fire Keepers, 2024-08-26 Medical malpractice and systemic racism are as interwoven as a spider's web. Should a dragline break the spider spins its silk and the web is easily rewoven like systemic racism it is all linked. Sterilizations forced or coerced without consent is the deadliest entrapment effectively eliminating generations of First Nations Metis and Inuit peoples lineages. This strategy of genocide continues its silent covert assault with or without the knowledge of the survivors of sterilizations. Though sterilizations are being brought to the forefront there remains a lack of willingness to talk about sterilizations understandably for survivors nonetheless WE continue to champion change. I hold up my hands in honor of the Firekeepers for speaking out and taking a stand against the ongoing sterilizations in Canada and internationally. For all the survivors of sterilizations your voices are heard and your heroism is boundless. **Young and Old**

Together Carol Seefeldt, 1990 **Kirkus Children's and Young-adult Edition** ,1986 **Once Upon a Falling Star** Betty Junkin Guest, 2012-01-23 The year is 1935 Bettina just turned six is spending her summer vacation with Granny and Dada her grandmother and grandfather in Kalenda a small North Texas town. In addition to her grandparents the household includes Franky their cook housekeeper laundress whose husband Professor principal of the K 12 Negro school drives Franky to work and spends time at the kitchen table with Dada discussing world events and Rufus the gardener handyman chauffeur. Frequent visitors are Nanny Granny's crippled younger sister and her husband Harry who drive into town from their small farm in an old Pierce Arrow which only Nanny can drive and only in second gear and Uncle Granny's younger brother who lives alone near the railroad tracks with his two hunting dogs. Among the colorful townsfolk are Dolly wife of Jolly who has no children but has a wondrous doll collection for all the town's children to enjoy. Scrap the trash man who drives a mule drawn cart to pick up castoffs which he turns into treasures. Miss Annie the widow of a sea captain who wears trousers smokes an occasional cigar and drives a bright yellow roadster and Woodrow confused but harmless who thinks he is the President of the United States. But through all the delights of a carefree almost magical summer is woven the shadow of eight year old Billy Jack the mostly unsupervised son of a mother long gone and a father who works in the oil fields. Billy Jack has told Bettina that Mrs Crone a strange neighbor who dresses all in black is a witch. Bettina is afraid of Mrs Crone as well as of the frowning life size angel with its sword unsheathed which Mrs Crone erected at the entrance of Townview Cemetery.
