Allen, 2013-09-24 This book introduces Christian readers of the Bible to the otherworldly way in which the rabbis of ancient times interpreted sacred texts You will discover how the rabbis sought to keep their congregations engaged by telling tales parables about the Bible Sometimes they made up whole new background stories that do not appear in Scripture but shed light on it They were gifted storytellers and sometimes almost like Doc in Back to the Future crazy but brilliant inventors And like Marty McFly we can climb into this literary DeLorean and speed back to a time when sages saw things in Scripture that we could never see Their interpretive insights

were based upon immense knowledge of what we call the Old Testament This knowledge they employed to keep the congregations engaged and informed They may end up doing the same for us if we listen to what they have to teach us
