Her Majesty's Stationery Office,1977 **Yellowstone and the Smithsonian** Diane Smith,2017-02-17 In the winter of 1996 97 state and federal authorities shot or shipped to slaughter more than 1 100 Yellowstone National Park bison Since that time thousands more have been killed or hazed back into the park as wildlife managers struggle to accommodate an animal that does not recognize man made borders Tensions over the hunting and preservation of the bison an animal sacred to many Native Americans and an icon of the American West are at least as old as the nation s first national park Established in 1872 in part to protect against the wanton destruction of the fish and game Yellowstone has from the first been dedicated to preserving wildlife along with the park s other natural wonders The Smithsonian Institution itself founded in 1848 viewed the park s resources as critical to its own mission looking to Yellowstone for specimens to augment its natural history collections and later to stock the National Zoo How this relationship developed around the conservation and display of American wildlife with these two distinct organizations coming to mirror one another is the little known story Diane Smith tells in *Yellowstone and the Smithsonian* Even before its founding as a national park and well before the creation of the National Park Service in 1916 the Yellowstone region served as a source of specimens for scientists centered in Washington D C Tracing the Yellowstone Washington reciprocity to the earliest

government sponsored exploration of the region Smith provides background and context for many of the practices such as animal transfers and captive breeding pursued a century later by a new generation of conservation biologists She shows how Yellowstone through its relationship with the Smithsonian the National Museum and ultimately the National Zoo helped elevate the iconic nature of representative wildlife of the American West particularly bison Her book helps all of us not least of all historians and biologists to better understand the wildlife management and conservation policies that followed

Inventory of the County Archives of Wisconsin, 1941 *Wisconsin Statutes* Wisconsin, 1919 *Being Scioto Hopewell: Ritual Drama and Personhood in Cross-Cultural Perspective* Christopher Carr, 2022-01-05 This book in two volumes breathes fresh air empirically methodologically and theoretically into understanding the rich ceremonial lives the philosophical religious knowledge and the impressive material feats and labor organization that distinguish Hopewell Indians of central Ohio and neighboring regions during the first centuries CE The first volume defines cross culturally for the first time the ritual drama as a genre of social performance It reconstructs and compares parts of 14 such dramas that Hopewellian and other Woodland period peoples performed in their ceremonial centers to help the soul like essences of their deceased make the journey to an afterlife The second volume builds and critiques ten formal cross cultural models of personhood and the self and infers the nature of Scioto Hopewell people s ontology Two facets of their ontology are found to have been instrumental in their creating the intercommunity alliances and cooperation and gathering the labor required to construct their huge multicomunity ceremonial centers a relational collective concept of the self defined by the ethical quality of the relationships one has with other beings and a concept of multiple soul like essences that compose a human being and can be harnessed strategically to create familial like ethical bonds of cooperation among individuals and communities The archaeological reconstructions of Hopewellian ritual dramas and concepts of personhood and the self and of Hopewell people s strategic uses of these are informed by three large surveys of historic Woodland and Plains Indians narratives ideas and rites about journeys to afterlives the creatures who inhabit the cosmos and the nature and functions of soul like essences coupled with rich contextual archaeological and bioarchaeological taphonomic analyses The bioarchaeological taphonomic method of l anthropologie de terrain new to North American archaeology is introduced and applied In all the research in this book vitalizes a vision of an anthropology committed to native logic and motivation and skeptical of the imposition of Western world views and categories onto native peoples
