Jeeves, I Need Help! Callie Gregory, Lynda Greene, 2000 This book includes online and offline activities for children as well as ideas for further activities **Jeeves, I'm Bored** Callie Gregory, Ask Jeeves, Inc, 2000 This book includes online and offline activities for children as well as ideas for further activities *250 Things Homeschoolers Can Do on the Internet* Tamra Orr, 2003 Will show various ways the Internet can help the entire family find experiences and information to help them in lessons and life Carry on, Jeeves Sir Pelham Grenville Wodehouse, 1986-01-01 Now touching this business of old Jeeves my man you know how do we stand Lots of people think I m much too dependent on him My Aunt Agatha in fact has even gone so far as to call him my keeper Well what I say is Why not The man s a genius From the collar upward he stands alone I gave up trying to run my own affairs within a week of his coming to me That was about half a dozen years ago directly after the rather rummy business of Florence Craye my Uncle Willoughby s book and Edwin the Boy Scout The thing really began when I got back to Easeby my uncle s place in Shropshire I was spending a week or so there as I generally did in the summer and I had had to break my visit to come back to London to get a new valet I had found Meadows the fellow I had taken to Easeby with me sneaking my silk socks a thing no bloke of spirit could stick at any price It transpiring moreover that he had looted a lot of other things here and there about the place I was reluctantly compelled to hand the misguided blighter the mitten and go to London to ask the registry office to dig up another specimen for my approval They sent me Jeeves I shall always remember the morning he came It so happened that the night before I had been present at a rather cheery little supper and I was feeling pretty rocky On top of this I was trying to read a book Florence Craye had given me She had been one of the house party at Easeby and two or three days before I left we had got engaged I was due back at the end of the week and I knew she would expect me to have finished the book by then You see she was particularly keen on boosting me up a bit nearer her own plane of intellect She was a girl with a wonderful profile but steeped to the gills in serious purpose I can t give you a better idea of the way things stood than by telling you that the book she d given me to read was called Types of Ethical Theory and that when I opened it at random I struck a page beginning The postulate or common understanding involved in speech is certainly co extensive in the obligation it carries with the social organism of which language is the instrument and the ends of which it is an effort to subserve All perfectly true no doubt but not the sort of thing to spring on a lad with a morning head I was doing my best to skim through this bright little volume when the bell rang I crawled off the sofa and opened the door A kind of darkish sort of respectful Johnnie stood without I was sent by the agency sir he said I was given to understand that you required a valet I d have preferred an undertaker but I told him to stagger in and he floated noiselessly through the doorway like a healing zephyr That impressed me from the start Meadows had had flat feet and used to clump This fellow didn t seem to have any feet at all He just streamed in He had a grave sympathetic face as if he too knew what it was to sup with the lads **School Library Journal** ,2000 My Man Jeeves P.
