### **Asking Around Background To The David Hare Trilogy:**

*Asking Around* David Hare, 2014-10-23 David Hare's trilogy of plays *Racing Demon* *Murmuring Judges* *The Absence of War* first presented at the National Theatre London in 1993 examines the crises facing three great British institutions the Church the Law and the Labour Party In order to learn about these organisations Hare amassed a body of hard research from first hand interviews with many of the people involved from vicars to high ranking policemen from judges to MPs *Asking Around* presents a judicious selection of those interviews and also includes a commentary by Hare describing how he threaded his way through the complex structures of Church Law and Politics *The Cambridge Companion to David Hare*

Richard Boon, 2007-12-13 David Hare is one of the most important playwrights to have emerged in the UK in the last forty years This volume examines his stage plays television plays and cinematic films and is the first book of its kind to offer such comprehensive and up to date critical treatment Contributions from leading academics in the study of modern British theatre sit alongside those from practitioners who have worked closely with Hare throughout his career including former Director of the National Theatre Sir Richard Eyre Uniquely the volume also includes a chapter on Hare's work as journalist and public speaker a personal memoir by Tony Birt co-founder with Hare of the enormously influential Portable Theatre and an interview with Hare himself in which he offers a personal retrospective of his career as a film maker which is his fullest and clearest account of that work to date *A Companion to Modern British and Irish Drama, 1880 - 2005* Mary

Luckhurst, 2008-04-15 This wide ranging *Companion to Modern British and Irish Drama* offers challenging analyses of a range of plays in their political contexts It explores the cultural social economic and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity An authoritative guide to modern British and Irish drama Engages with theoretical discourses challenging a canon that has privileged London as well as white English males and realism Topics covered include national regional and fringe theatres post colonial stages and multiculturalism feminist and queer theatres sex and consumerism technology and globalisation representations of war terrorism and trauma

Zeifman, 2019-07-15 Learning that David Hare has written sixteen stage plays eight collaborations and eleven screenplays for

film and television one might be surprised by the fact that this leading English artist is not yet fifty years old He was only twenty two when his first play was performed by the Portable Theatre and he was a major voice on the British stage before he was thirty The present volume is the first major collection of essays devoted to Hare and its editor Hersh Zeifman who is a professor at York University Toronto is well qualified to assemble and supervise such a significant undertaking As co editor of the prestigious journal *Modern Drama* he has been exposed to all the major authors and topics of modern theatre and is ideally positioned to discern Hare's pivotal role on the contemporary stage

**Beyond Documentary Realism** Cyrielle Garson, 2021-02-22 *Verbatim theatre* a type of performance based on actual words spoken by real people has been at the heart of a remarkable and unexpected renaissance of the genre in Great Britain since the mid nineties The central aim of the book is to critically explore and account for the relationship

between contemporary British verbatim theatre and realism whilst questioning the much debated mediation of the real in these theatre practices American Playwriting and the Anti-Political Prejudice N. Pressley, 2014-11-06 Twenty years after Tony Kushner's influential *Angels in America* seemed to declare a revitalized potency for the popular political play there is a No Politics prejudice undermining US production and writing This book explores the largely unrecognized cultural patterns that discourage political playwriting on the contemporary American stage The Power of Yes David Hare, 2010-02-04 On 15 September 2008 capitalism came to a grinding halt As sub prime mortgages and toxic securities continued to dominate the headlines well into 2009 this spring the National Theatre asked David Hare to write an urgent and immediate work to be staged this autumn that sought to find out what had happened and why Capitalism works when greed and fear are in the correct balance This time they got out of balance Too much greed not enough fear Meeting with many of the key players from the financial world David Hare author of *The Permanent Way* and *Stuff Happens* has created *The Power of Yes* a compelling narrative as enlightening as it is entertaining It's like a ship which you're being told is in apple pie order the decks are cleaned the metal is burnished the only thing nobody mentions it's being driven at full speed towards an iceberg Not so much a play as a jaw dropping account of how as the banks went bust capitalism was replaced by a socialism that bailed out the rich alone *The Power of Yes* opened at the National Theatre London in September 2009 **Cyclopedia of World Authors** Frank Northen Magill, 1997 A State of Play Steven Fielding, 2014-04-24 This book is available as open access through the Bloomsbury Open Access programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) *A State of Play* explores how the British have imagined their politics from the parliament worship of Anthony Trollope to the cynicism of *The Thick of It* In an account that mixes historical with political analysis Steven Fielding argues that fictional depictions of politics have played an important but insidious part in shaping how the British think about their democracy and have helped ventilate their many frustrations with Westminster He shows that dramas and fictions have also performed a significant role in the battle of ideas in a way undreamt of by those who draft party manifestos The book examines the work of overtly political writers have treated the subject discussing the novels of H G Wells the comedy series *Yes Minister* and the plays of David Hare However it also assesses how less obvious sources such as the films of George Formby the novels of Agatha Christie the Just William stories and situation comedies like *Steptoe and Son* have reflected on representative democracy *A State of Play* is an invaluable distinctive and engaging guide to a new way of thinking about Britain's political past and present
