Aspects Of Doncaster No 1 Discovering Local History:

The British National Bibliography Arthur James Wells,2003 **Trees, Forested Landscapes and Grazing Animals** Ian D. Rotherham,2013-03-05 In this comprehensive book the critical components of the European landscape forest parkland and other grazed landscapes with trees are addressed The book considers the history of grazed treed landscapes of large grazing herbivores in Europe and the implications of the past in shaping our environment today and in the future Debates on the types of anciently grazed landscapes in Europe and what they tell us about past and present ecology have been especially topical and controversial recently This treatment brings the current discussions and the latest research to a much wider audience The book breaks new ground in broadening the scope of wood pasture and woodland research to address sites and ecologies that have previously been overlooked but which hold potential keys to understanding landscape dynamics Eminent contributors including Oliver Rackham and Frans Vera present a text which addresses the importance of history in understanding the past landscape and the relevance of historical ecology and landscape studies in providing a future vision

Animal, Man & Treescapes (b/w) Ian D. Rotherham,Christine Handley (eds.),2011 This book has been published as part of a major conference held in Sheffield UK on the theme of Animals Man and Treescapes which looked at the interactions between grazing animals humans and wooded landscapes It linked community projects and educational outputs throughout the UK across Europe and beyond The event promoted landscape ecology conservation through local national and international initiatives **Aspects of Doncaster** Brian Elliott,1997-12-01 History in the Field Tom Corfe,1970
