Dream-World Dr. Miracle I. Anyanwu,2013-03-14 Wasting a dream is like wasting a life and a life without a dream is a hopeless one We don t dream to attract attention or recognition to be applauded by families and well wishers We do dream because our lives are dependent on it Real dreamers never quit even when it seems like giving up They are aware of the fact that the dreams they possess are tried and tested They comprehend that without the hurdles these dreams fail to survive the test of time No man prays for his dreams to be opposed but the fact still remains It s inevitable Literal dreamers only imagine and assume They paint the maginified pictures of their lives but never strive to make them happen Real dreamers never deal

with assumptions they believe and act One thing is to dream and another to act on it to make it a reality It s biblically written that faith without work is dead A dream without an effort hits the rock So therefore keep your aspirations alive with the right nutrients As long as you can breath your dreams can breathe also Living Beyond Your Dream World is a book which will energize your body soul and spirit to be part of the Dream Census thus making the dream alive DIG DEEPER DREAM BIGGER IT S YOUR TIME TO SHINE **Our Sacred Honor** William John Bennett,1997 It is time to profit from their advice

Thoughts on Religion. By Blaise Pascal. Private Thoughts on Religion by the Rev. T. Adam. Edited by the Rev. E. Bickersteth Blaise Pascal, 1833

Thoughts on Religion Blaise Pascal, 1833 *The Pain of Destiny* Brandon O. Severs Sr, 2012-03-30 If you feel lost or don't know where to turn to for guidance then you need to read the inspiring story of Brandon O Severs Sr Growing up Severs was rejected by his peers and molested by a family member He finally found his niche in high school as a Christian comedian and life seemed full of promise He got married to a beautiful woman with a kind heart Married just four months his bride was already pregnant and he was looking forward to being a father But everything came to a screeching halt in one night when he was shot and paralyzed during a home invasion He spent months in the hospital and doctors had to

amputate his left leg A few short years later he was diagnosed with multiple sclerosis In this uplifting account he shares how his faith has gotten him through so many tumultuous events By examining his relationship with God and asking key questions he finds purpose in his life and continues to inspire others Chase your dreams and provide for yourself and your family even when you encounter challenges that seem impossible to overcome Be inspired by this true story and vow to survive no matter what the situation

The Future of Christian Marriage among the Igbo vis-a-vis Childlessness Augustus Chukwuma Izekwe, 2015-08-06 Marriage was ordained by God for the good of spouses and for procreation But how often does marriage turn out to bring unhappiness to partners And how often do even happy marriages end up childless Among the Igbo of South eastern Nigeria to whom offspring is the chief goal of marriage childlessness leads often to unhappiness in marriage and not less often to the break up of marriages or to polygamy In this work the author expounds the importance of marriage and its practice among the Igbo He explains the importance of children in Igbo understanding of marriage and identifies childlessness as the key factor which could endanger and sometimes do endanger the Igbo acceptance of the Catholic doctrine of the indissolubility of marriage Using the relevant clauses of the Code of Canon Law the author explains in detail the Catholic understanding of marriage and the goals of the catholic doctrine on marriage He writes of the possibility of marriage impediments due to impotence and sterility that lead to childlessness and recommends not only a thorough pre marriage preparation but also a continual formation of marriage couples as efforts that could check the increasing rate of divorce and polygamy due to childlessness But the author knows that childlessness can still occur despite all precautions He therefore recommends adoption instead of polygamy as the ultimate panacea to childlessness in marriage The author condemns in unmistakable terms the mentality among the Igbo which blames and traumatizes the woman in cases of childlessness
