Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil **Assassins** Tim LaHaye, Jerry B. Jenkins, 2011 The Tribulation Force continues to fight the forces of Antichrist **Left Behind Answered Verse by Verse** David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a

second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy **Assassins** Tim LaHaye, Jerry B. Jenkins, 1999 Tribulation Force members Rayford Steele and Buck Williams plan to dethrone Nicolae Carpathia and expose him as the Antichrist But will Carpathia survive **The Left Behind Deception** Steve Wohlberg, 2001 **Will Catholics Be Left Behind?** Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving

the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah **Words on Cassette, 2002** R R Bowker Publishing,2002 An Unusual Relationship Yaakov Ariel,2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of Evangelicals and Israel The Story of American Christian Zionism It is generally accepted that Jews and evangelical Christians have little in common Yet special alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish relationships An Unusual Relationship explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book Evangelizing the Chosen People was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History *Bowker's Guide to Characters in Fiction 2007* ,2008-02 Apocalypse Dawn Mel Odom,2011-05-13 2004 Christy Award finalist From the decks of U S Navy carriers patrolling the Mediterranean to Fort Benning Georgia and the dusty sands of the Turkish Syrian border this new suspense thriller runs side by side with the phenomenal series that has sold more than 50 million copies New characters and situations are added to those from the already explosive Left Behind series to raise the tension to a fever pitch With technical accuracy from the same people who create best selling military thrillers this new series will satisfy the fans of the original Left Behind series who are looking for more Plotting Apocalypse Jennie Chapman,2013-09-12 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days

This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics
