L. P. Devine

Assault Crossing The River Seine 1944 A David Charles Military By:

Assault Crossing Ken Ford, 2011-12-13 The assault crossing of the River Seine by the British 43rd Wessex Division in August 1944 remains one of the most important operations of the closing stages of the Second World War. Once the obstacle of the great river had been overcome, General Horrocks unleashed the armor of XXX Corps on their historic dash across northern France and Belgium. Assault Crossing is Ken Ford's classic account of this critical battle, the story of one British division pitted against one German division. On one side, a fully equipped battle-hardened unit made up of soldiers from the ancient Kingdom of Wessex, backed by some of the best artillery in the world and supported by tanks. On the other side, a much depleted second-rate static division of men of various nationalities conscripted to fight a war for Germany that was already lost. On paper, the British were assured of success, but between the two opposing armies lay the Seine, 680 feet of open water overlooked by high chalk cliffs riddled with defensive strong points. The Germans were waiting. In hindsight, the battle was described as an epic operation and used as an example to train future generations of soldiers. In reality, as with most battles, it was something of a shambles, lurching from crisis to crisis until the eventual bridgehead was secured. In his graphic narrative, Ken Ford gives a fascinating insight into the planning of the operation and the confusion of the battlefield, and he records, using eyewitness testimony, what the battle was really like for the soldiers who were there. **The British**

Way of War in Northwest Europe, 1944-5 L. P. Devine, 2017-06-29 This book examines the experience of two British Infantry Divisions, the 43rd Wessex and 53rd Welsh, during the Overlord campaign in Northwest Europe. To understand the way the British fought during Operation Overlord, the book considers the political and military factors between 1918 and 1943, before addressing the major battles and many of the minor engagements and day-to-day experiences of the campaign. Through detailed exploration of unit war diaries and first-hand accounts, Louis Devine demonstrates how Montgomery's way of war translated to the divisions and their sub-units. While previous literature has suggested that the British Army fought a cautious war in order to avoid the heavy casualties of the First World War, Devine challenges this concept by showing that the Overlord Campaign, fought at sub-divisional levels, was characterized by command pressure to achieve results quickly, hasty planning, and a reliance on massive artillery and mortar contributions to compensate for deficiencies in anti-tank and armored support. By following two British infantry divisions over a continuous period and focusing on soldiers' experience to offer a perspective from below, as well as challenging the consensus of a cautious British campaign, this book provides a much-needed re-examination of the Overlord campaign, which will be of great interest to students and scholars of the Second World War and modern military history in general. **Assault Crossing** Ken Ford, 2011 Originally published Newton Abbot, Devon: David Charles Publishers c1988. **World War II River Assault Tactics** Gordon L. Rottman, 2013-09-20 On the major European and Russian fronts throughout World War II, the challenge of crossing rivers under fire was absolutely central to any advance. The Panzers that crossed the Meuse at Sedan in May 1940 cut the French Army in two. The Wehrmacht's ability

to cross the great rivers of the western USSR was vital to the lightning advances of Operation Barbarossa in 1941 and in 1943-45 the Red Army had to drive the Germans back from a succession of river lines during their advance to the Reich culminating in the Vistula and Oder lines. With World War II armies dependent on heavy mechanized equipment the function which rivers played became essential for soldiers in all sides of the war. World War II River Assault Tactics details the methods, means and analysis of specific successes and failures. Featuring a wealth of wartime photos particularly from German sources and full colour plates illustrating tactical scenarios the subject is brought to life.

Books in Series, 1876-1949 R.R. Bowker Company, 1982 Atlas of American Military History James C. Bradford, 2003

From the Battle of Bunker Hill to the Battle of Midway from Vietnam to the Persian Gulf from George Washington to Douglas MacArthur The Atlas of American Military History covers the full span of America at war exploring the personalities, methods, strategies and historical contexts of each conflict. Following a loose chronological framework this book examines every significant military campaign and war in which the United States has been engaged both domestically and internationally from the Revolutionary War to the present. Written by trusted military historians each section combines analysis with a strong narrative account and an assessment of major campaigns and battle taking up the American viewpoint as well as those of its allies and opponents. Military method, weaponry and communication technology receive detailed treatment in the text and in the maps. The center point of the book is its stunning color maps including historical military cartography, specially commissioned maps and graphic reconstructions. These maps show troop, ship and aircraft movements of major campaigns and battles, the theaters of fighting, the balance of forces and the wider strategic picture. It also features hundreds of illustrations, appendixes and a glossary and information on military commanders, events, treaties, code names and civilian personalities. Edited by noted historian James Bradford The Atlas of American Military History is a beautiful and informative volume for history buff and general reader alike.

Books in Series, 1985 Vols for 1980 issued in three parts. Series Authors and Titles *From Defeat to Victory* Charles J. Dick, 2016-11-04

By the summer of 1944 the war in Europe had reached a critical point. Both the western Allies and the Soviets possessed the initiative and forces capable of mounting strategic offensives against the German enemy. Writing a study of operations on first the Western then the Eastern Front respected military analyst C J Dick provides a uniquely informative comparison of the different war fighting doctrines brought to bear by the Allies and the Red Army in contemporaneous campaigns. His book offers rare insights into the strengths and weaknesses of generalship on both fronts. In volume 2 *From Defeat to Victory* Dick turns to the Eastern Front where battle lines stretched from the Baltic to the Black Sea nearly 1,500 miles to the Allies 600 and the Soviet armies and engagements dwarfed in scale those in the West. More importantly they reflected a war fighting philosophy significantly different than the Allies which in turn produced different military operations. The Soviets were masters of deception and surprise a concept called maskirovka that was an essential part of every military operation. The Soviets were committed to highly mobile and high tempo offensives. They massed troops

in heavy concentrations to achieve a breakthrough that would quickly set conditions for decisive operational maneuvers they were relentless in their will to destroy the enemy's forces and unlike their counterparts in the West were willing to contend with an enormous amount of casualties Dick's analysis shows us how the Red Army largely free of the political problems that constrained the Allies was able to develop more radical operational ideas and implement them with a daring and ruthlessness impossible for the armies of democratic states From Defeat to Victory also offers a critical lesson in the enduring importance of finding inculcating and implementing operational and tactical doctrine that fits the conditions of contemporary war as well as in the technology politics and psychology of the times Army, Navy, Air Force Journal & Register ,1944 **Field**

Marshal Bernard Law Montgomery, 1887-1976 Colin F. Baxter,1999-10-30 In the desperate summer of 1942 Hitler seemed to be on the verge of victory in Russia and the Middle East With Rommel nearing Cairo a little known lieutenant general Bernard Montgomery took charge of what Churchill called a baffled and bewildered British 8th Army Assuming command Montgomery issued his famous order Here we will stand and fight If we can't stay here alive then let us stay here dead and led the Army to one of the Allies greatest victories El Alamein Monty became an instantly recognizable Allied leader but as a man with strong views unbending principles and outspoken frankness he was both loved and disliked praised and criticized This bibliography presents and evaluates the extensive body of literature that has grown up around the controversial Field Marshal Any serious study of World War II military campaigns must confront Field Marshal Bernard Montgomery an individualist with both admirers and detractors This book provides an extensive historiographical overview of the literature in Part I and a bibliography of significant works in Part II It is a basic reference and research guide for the student scholar and general reader *Battle of the Bulge* ,1995 Consists primarily of biographies of soldiers **Army and Navy Journal** ,1945 **The Engineer** ,1867 **A Military History of the Western World: From the Seven Days Battle, 1862, to the Battle of Leyte Gulf, 1944** John Frederick Charles Fuller,1956 **Follow the Sapper** Gerald Napier,2005 **Germany at War** David T. Zabecki,2014-10-28 Written by experts for use by nonexperts this monumental work probes Germany's Genius for War and the unmistakable pattern of tactical and operational innovation and excellence evident throughout the nation's military history Despite having the best military forces in the world some of the most advanced weapons available and unparalleled tactical proficiency Germany still lost both World Wars This landmark four volume encyclopedia explores how and why that happened at the same time examining Germany as a military power from the start of the Thirty Years War in 1618 to the present day Coverage includes the Federal Republic of Germany its predecessor states and the kingdoms and principalities that combined to form Imperial Germany in 1871 The Seven Years War is discussed as are the Napoleonic Wars the Wars of German Unification including the Franco Prussian War World War I World War II and the Cold War In all more than 1 000 entries illuminate battles organizations leaders armies weapons and other aspects of war and military life The most comprehensive overview of German military history ever to appear in English this

work will enable students and others interested in military history to better understand the sociopolitical history of Germany the complex role conflict has played in the nation throughout its history and why Germany continues to be an important player on the European continent **Army and Navy Register** ,1951 From the Seven Days Battle, 1862, to the Battle of Leyte Gulf, 1944 John Frederick Charles Fuller,1967 The Encyclopedia of War Saul David,2012 Take a guided tour of every major conflict through the ages Trace the epic 5 000 year story of warfare from the earliest battles to the War on Terror with War now in compact format Explore the campaigns and conflicts the warriors and commanders and the tactics weapons and technology that have shaped human warfare With fascinating features on topics including the role of infantry siege warfare military tactics and the treatment of wounded soldiers Combining a clear and compelling historical narrative with a wealth of fascinating eyewitness accounts and photography throughout War is a definitive visual guide to this brutal intense and often heroic dimension of the human story **The Second Great War** John Alexander Hammerton,1943

Assault Crossing The River Seine 1944 A David Charles Military By Introduction

In the digital age, access to information has become easier than ever before. The ability to download Assault Crossing The River Seine 1944 A David Charles Military By has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Assault Crossing The River Seine 1944 A David Charles Military By has opened up a world of possibilities. Downloading Assault Crossing The River Seine 1944 A David Charles Military By provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Assault Crossing The River Seine 1944 A David Charles Military By has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Assault Crossing The River Seine 1944 A David Charles Military By. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Assault Crossing The River Seine 1944 A David Charles Military By. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Assault Crossing The River Seine 1944 A David Charles Military By, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Assault Crossing The River Seine 1944 A David Charles Military By has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Assault Crossing The River Seine 1944 A David Charles Military By Books

1. Where can I buy Assault Crossing The River Seine 1944 A David Charles Military By books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
