Assyrians The Continuous Saga:

Assyrians Frederick A. Aprim, 2004 Assyrians have been deprived of their rich heritage in their ancestral homelands in Mesopotamia modern Iraq From one side history curriculum taught in most of the Middle East's public schools is manipulated and it focuses predominately on the region's Islamic era From the other side some historians question the continuation of ancient Assyrian civilization and people Thus unbiased publications and historical references regarding the survival of Assyrians since the fall of their imperial capital Nineveh are of great importance This moderate work is a humble attempt to shed light on this survival from cover

Ancient and Modern Assyrians George V. Yana, 2008-04-10 Some scholars have doubted or denied the continuity of the Assyrian people from the times of empire to the present time This work based on a scientific analysis sheds light on the subject and demonstrates the continuous existence of the Assyrian people Assyria northern Iraq was a state grouped about the heavily fortified city of Ashur on the middle of the Tigris River Assyrians had become civilized in the third millennium BC under the impetus of Mesopotamian development They created the first empire known to history that was run by an empire administration The empire created by Sargon Sharukin much earlier in the third millennium did not have an administration to hold it together Toward the close of the Bronze Age 1700 1200 BC Assyria had expanded westward to the middle of the Euphrates River and in the south they held Babylon temporarily Tiglat Pileser I 1114 1076 extended Assyrian rule to the Mediterranean But Adadnirari II 911 891 BC may be called the father of Assyrian imperial administration Empire building was a necessity of economic development which was based on the technological advances caused by the introduction of iron and the alphabet International trade was necessary for the growth of industry and manufacture and the Assyrians became the tools to carry out this historic economic necessity The Assyrian army was the first army to use iron arms The Assyrian Empire was defeated in 612 BC by an alliance of Medes an Iranian people Persians Iran Babylonians and Cythians Since then Assyria has been governed by Persians Greeks Arabs and Turks The Assyrians were the first non Jewish people to accept Christianity and since then Christianity has become their identity They burned all their ancient books that reminded them of their pagan kings Thus with time a dark cloud was cast over their memories that separated them from their glorious past But now and then there were sparks from the remote past that testified to the persistence of memory Only recently has the full national awareness been restored There are still scholars who doubt or deny any link between the ancient and the Modern Assyrians They argue that the Assyrians were all massacred during the destruction of their empire This book sets out to demonstrate that the Assyrians were not all massacred during the destruction of their country in 612 BC and that they emerged as a Christian people in Assyria northern Iraq and the neighboring countries

and yet another betrayal the first was that promise made by of the British post World War I when the U S deserted the indigenous Assyrians and Yezidis and surrendered to the demands of the Shi a Arabs and the Kurds The continuous attacks on the Christians in Iraq and bombing of churches started in 2004 and intensified through 2011 In 2014 ISIS invaded the Assyrian and Yezidi towns in northern Iraq and caused a new tragedy and genocide while the Kurds and Shi a strengthened their positions in the new Iraq

The Church of the East Christoph Baumer,2016-09-05 The so called Nestorian Church officially known as the Apostolic Assyrian Church of the East with its See in Baghdad was one of the most significant Christian communities to develop east of the Roman Empire In its heyday the Church had 8 million adherents and stretched from the Mediterranean to China Christoph Baumer is one of the very few Westerners to have visited many of the most important Assyrian sites and has written the only comprehensive history of the Church which now fights for survival in its country of origin Iraq and is almost forgotten in the West He narrates its rich and colorful trajectory from its apostolic beginnings to the present day and discusses the Church s theology christology and uniquely vigorous spirituality He analyzes the Church s turbulent relationship with other Christian chuches and its dialogue with neighboring world religions such as Zoroastrianism Manichaeism Islam Buddhism and Taoism Richly illustrated with maps and over 150 full color photographs the book will be essential reading for those interested in a fascinating but neglected Christian community which has profoundly shaped the history of civilization in both East and West

The Biblical Saga of King David John Van Seters,2009-06-30 The biblical story of King David has been interpreted in many different ways arising from the variety of methods used in and the intended objectives of the studies Does the narrative contain insight into and information about the early history of the Judean monarchy or is it merely a legendary tale about a distant past Can we identify the story s literary genre its sociohistorical setting and the intention of its author s Is an appreciation for the wonderful literary qualities of the story compatible with a literary critical investigation of the narrative s compositional and text critical history Van Seters reviews past scholarship on the David story and in the course of doing so unravels the history of these questions and then

presents an extended appraisal of the debate about the social and historical context of the biblical story From this critical foundation Van Seters proceeds to offering a detailed literary analysis of the story of David from his rise to power under Saul to his ultimate succession by Solomon *Before the Silence* Sofia Kontogeorge Kostos,2010 Transcribed newspaper accounts of the treatment of Christians in Asia Minor today s Turkey primarily from 1914 to 1923 **The Assyrians** ,1923*
