Custer's Last Campaign John S. Gray, 1993-01-01 Easily the most significant book yet published on the Battle of the Little Bighorn Paul L Hedren Western Historical Quarterly Gray has applied rigorous analysis as no previous historian has done to these oft analyzed events His detailed time motion study of the movements of the various participants frankly boggles the mind of this reviewer No one will be able to write of this battle again without reckoning with Gray Thomas W Dunlay Journal of American History Gray challenges many time honored beliefs about the battle Perhaps most significantly he brings in as much as possible the testimony of the Indian witnesses especially that of the young scout Curley which generations of historians have dismissed for contradictions that Gray convincingly demonstrates were caused not by Curley but by the assumptions made by his questioners The contrasts in this book restate the basic components of what still attracts the imagination to the Little Bighorn Los Angeles Times Book Review Gray s analysis by and large is impressively drawn it is an immensely logical reconstruction that should stand the test of time As a contribution to Custer and Indian wars literature it is indeed masterful Jerome A Greene New Mexico Historical Review John S Gray was a distinguished historian whose books included the acclaimed Centennial Campaign The Sioux War of 1876 Custer s Last Campaign is the winner of the Western Writers of American Spur award and the Little Bighorn Associates John M Carroll Literary Award
